

## Northlight LED Pom Pom Christmas Garland Light Set

# Northlight LED Pom Pom Christmas Garland Light Set Instruction Manual

## INTRODUCTION

Thank you for choosing the Northlight LED Pom Pom Christmas Garland Light Set. This battery-operated light set is designed for indoor decorative use, adding a festive touch to your home. This manual provides important information regarding the safe setup, operation, and maintenance of your light set.

## SAFETY INFORMATION

- **Indoor Use Only:** This light set is recommended for indoor use. If used outdoors, ensure it is placed under a covered area to protect it from elements.
- **Battery Safety:** Requires 2 "AA" size batteries (not included). Do not mix old and new batteries. Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries. Remove batteries if the product is not used for a long period.
- **Non-Replaceable Bulbs:** The LED bulbs in this set are non-replaceable. Do not attempt to remove or replace them.
- **No Connection:** This light set cannot be connected to multiple sets. Do not attempt to link multiple garlands together.
- **Proposition 65 Warning:** This product may contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

<b>Power Source</b>	2 x AA Batteries (not included)
<b>Indoor/Outdoor Use</b>	Indoor (covered area if outdoors)
<b>Material</b>	Plastic, Wire, Cotton
<b>Weight</b>	1.6 ounces

## SETUP

### 1. Battery Installation

1. Locate the battery pack, typically a small clear plastic box attached to the clear wire.
2. Slide open the battery compartment cover.
3. Insert 2 new "AA" batteries, ensuring the correct polarity (+/-) as indicated inside the compartment.
4. Close the battery compartment cover securely.

Image: The clear battery pack with the on/off switch visible on the side. This is where the AA batteries are inserted.

## **2. Placement**

Carefully uncoil the garland. You can drape it over a mantelpiece, weave it into a centerpiece, or use it to decorate a doorway. The flexible wire allows for various decorative arrangements.

Image: The LED Pom Pom Garland creatively draped around a small, flocked Christmas tree, illustrating a possible decorative placement.

## OPERATING INSTRUCTIONS

1. Once batteries are installed, locate the **On/Off switch** on the side of the battery pack.
2. Slide the switch to the "On" position to illuminate the lights.
3. Slide the switch to the "Off" position to turn off the lights.

## MAINTENANCE

---

### Cleaning

To clean the light set, gently wipe the pom-poms and wire with a soft, dry cloth. Do not use liquid cleaners or immerse any part of the set in water.

### Storage

When not in use, turn off the light set and remove the batteries. Carefully coil the garland and store it in a cool, dry place, away from direct sunlight and extreme temperatures. Keep it in its original packaging or a protective container to prevent tangling and damage.

## TROUBLESHOOTING

---

- **Lights not turning on:**
  - Ensure the On/Off switch on the battery pack is in the "On" position.
  - Check that the batteries are inserted correctly with the correct polarity.
  - Replace old or depleted batteries with new "AA" batteries.
- **Lights are dim:**
  - This usually indicates low battery power. Replace the batteries with new ones.

## WARRANTY AND SUPPORT

---

Northlight products are manufactured with quality in mind. For specific warranty information or support inquiries, please refer to the product packaging or contact the retailer where the product was purchased. Keep your proof of purchase for any warranty claims.
