# HOMIDEC Office Desk with Bookshelf User Manual

Model: FY-SJDNZ140-FGS

## INTRODUCTION

Thank you for choosing the HOMIDEC Office Desk with Bookshelf. This manual provides essential information for the safe and efficient assembly, operation, and maintenance of your new desk. Please read these instructions carefully before assembly and retain them for future reference.

This versatile desk features a two-in-one design, combining a spacious computer desk with integrated storage shelves, ideal for home offices, studies, or bedrooms. Its robust construction ensures durability and stability for your workspace needs.

## SAFETY INFORMATION

- Always follow the assembly instructions carefully.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten if necessary.
- Do not overload the desk or shelves beyond the recommended weight capacity.
- Keep small parts away from children during assembly to prevent choking hazards.
- Place the desk on a level surface to ensure stability.

## SETUP AND ASSEMBLY

Assembly of your HOMIDEC Office Desk is designed to be straightforward. It is recommended that two people assemble the desk for ease and safety, although it can be assembled by one person.

### Before You Begin:

- Unpack all components and verify against the parts list (not provided in this manual, refer to included physical manual).
- Clear a spacious area for assembly.

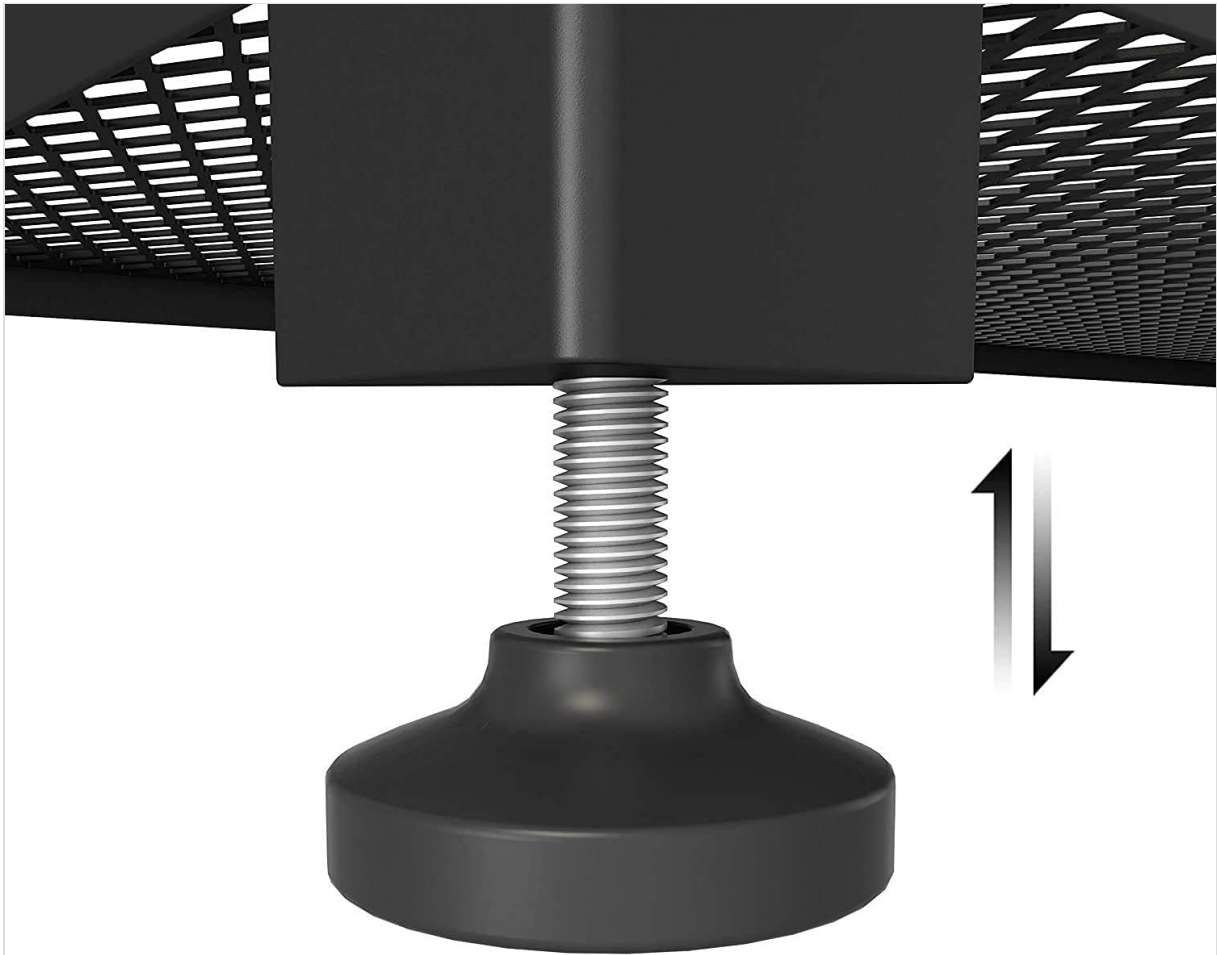

- Keep all tools and hardware organized.

### Assembly Steps (General Guidance):

1. **Attach the Frame:** Begin by assembling the metal frame components according to the provided diagrams. Ensure all connections are finger-tightened initially.
2. **Install Shelves:** The storage shelves can only be placed on the right side of the desk. Secure them to the frame as indicated in your specific manual.
3. **Mount Desktop:** Carefully place the desktop onto the assembled frame and secure it with the provided fasteners.
4. **Final Tightening:** Once all components are in place, systematically tighten all screws and bolts using the appropriate tools. Do not overtighten.
5. **Adjust Leveling Feet:** The desk is equipped with adjustable feet to ensure stability on uneven floors. Turn the feet clockwise or counter-clockwise to level the desk.

## OPERATING INSTRUCTIONS

The HOMIDEC Office Desk is designed for versatile use in various settings, providing ample space for your work and storage needs.

- **Desktop Usage:** The spacious desktop (140x60cm) is suitable for laptops, desktop computers, monitors, keyboards, and other office accessories. Arrange your equipment to optimize your workflow and comfort.
- **Storage Shelves:** Utilize the integrated 3-tier storage shelves for books, documents, stationery, potted plants, or decorative items. The shelves are designed to keep your essentials within easy reach, enhancing work efficiency.
- **Weight Distribution:** Distribute weight evenly across the desktop and shelves. Avoid placing heavy items solely on one side to maintain stability. The desk has a maximum weight recommendation of 110 kg.

The integrated 3-tier storage shelves are utilized for organizing books and displaying decorative items, highlighting the desk's functional design.*

## MAINTENANCE AND CARE

Proper care will extend the life and appearance of your HOMIDEC Office Desk.

- **Cleaning:** The desk surface is anti-scratch and wear-resistant. Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Immediately wipe up any spills to prevent water damage or staining, especially on the wood board components. The tabletop has a protective layer designed to be waterproof.
- **Protection:** Use coasters for drinks and protective pads under hot items to prevent marks.
- **Fasteners:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if any looseness is detected.
- **Environment:** Avoid exposing the desk to extreme temperatures or humidity, which can affect the material integrity.

### TROUBLESHOOTING

If you encounter any issues with your HOMIDEC Office Desk, refer to the following common problems and solutions:

- **Desk is Wobbly:**
  - Ensure all assembly screws and bolts are securely tightened.
  - Check if the desk is on a level surface. Adjust the leveling feet at the bottom of each leg until the desk is stable.
- **Parts Missing or Damaged:**
  - Carefully re-check all packaging materials.
  - Contact HOMIDEC customer support immediately with details of the missing or damaged parts. Refer to the "Support" section for contact information.
- **Difficulty Assembling:**
  - Review the assembly instructions provided with your product.
  - Ensure you are using the correct hardware for each step.

- If possible, seek assistance from another person.
