2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Keep this manual for future reference.

- **Adult Supervision:** Always ensure adult supervision during play, especially for younger children, to prevent misuse or potential hazards.
- **Small Parts:** This product contains small parts (furniture pieces) that may pose a choking hazard for children under 3 years of age. Keep these items out of reach of infants and toddlers.
- **Assembly:** Assembly must be performed by an adult. Ensure all screws and fasteners are securely tightened before allowing children to play.
- **Material Safety:** The dollhouse is constructed from wood with rounded edges for safety. All materials

are tested to meet safety standards.

- **Inspection:** Regularly inspect the dollhouse and its accessories for any damage, loose parts, or sharp edges. Discontinue use if any damage is found and repair or replace as necessary.

4. ASSEMBLY INSTRUCTIONS

Assembly is required for this dollhouse. Please follow the step-by-step instructions provided in the separate assembly manual included in your product packaging. Ensure all parts are correctly oriented and securely fastened.

1. **Unpack Components:** Carefully remove all dollhouse panels, furniture pieces, and hardware from the packaging. Organize them by type to facilitate assembly.
2. **Review Manual:** Consult the dedicated assembly instruction booklet for detailed diagrams and

specific steps for connecting the main dollhouse structure.

3. **Assemble Structure:** Begin by assembling the main walls and floors of the dollhouse, ensuring all connections are tight and stable.
4. **Install Roof and Balcony:** Attach the roof sections and any balcony structures as indicated in the manual.
5. **Arrange Furniture:** Once the main structure is complete, place the furniture pieces in their respective rooms.
6. **Final Check:** Verify that the entire dollhouse is stable and all parts are securely attached before play.

Note: No batteries are required for the operation of this dollhouse.

5. OPERATING INSTRUCTIONS (HOW TO PLAY)

The ROBUD Wooden Dollhouse is designed for imaginative and interactive play. Encourage children to explore and create their own stories within the dollhouse environment.

- **Imaginative Play:** Use the various rooms (bedroom, living room, kitchen, bathroom, study, balcony) and furniture to simulate daily life scenarios.
- **Furniture Arrangement:** Children can freely move the furniture around to create different interior designs, promoting creativity and spatial reasoning.
- **Role-Playing:** The dollhouse is suitable for individual play or group role-playing with friends, which can enhance communication and social skills.
- **Interactive Features:** Some furniture pieces, like the closet, may have openable doors or drawers, adding to the realistic play experience.

6. CARE AND MAINTENANCE

Proper care will ensure the longevity of your ROBUD Wooden Dollhouse.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the wood and painted finishes.
- **Storage:** Store the dollhouse in a dry environment, away from direct sunlight and extreme temperatures, to prevent warping or fading.
- **Inspection:** Periodically check all joints and connections to ensure they remain secure. Tighten any loose screws as needed.
- **Avoid Moisture:** Do not immerse the dollhouse or furniture in water.
