Maintenance

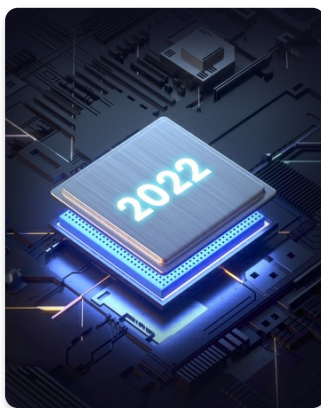

Proper maintenance ensures the longevity and optimal performance of your WONNIE Dual Portable DVD Player. Follow these guidelines:

- **Cleaning:** Use a soft, dry cloth to clean the screens and exterior. Avoid abrasive cleaners or solvents. For the DVD lens, use a specialized DVD lens cleaner disc.
- **Storage:** When not in use, store the players and accessories in a cool, dry place, away from direct sunlight and extreme temperatures.
- **Battery Care:** To maintain battery health, avoid fully discharging the battery frequently. If storing for a long period, charge the battery to about 50% every few months.
- **Handling Discs:** Always handle discs by their edges. Keep them clean and free from scratches to prevent playback issues.

Troubleshooting

If you encounter issues with your WONNIE Dual Portable DVD Player, refer to the common problems and solutions below. If the problem persists, please contact customer support.

Problem	Possible Cause	Solution
No Power	Battery drained, power adapter/charger not connected properly, power switch off.	Ensure power adapter/car charger is securely connected. Check if the power switch is in the 'ON' position. Charge the battery.
Disc Not Reading	Disc is dirty, scratched, or incompatible format. Lens is dirty.	Clean the disc with a soft cloth. Try a different disc. Ensure the disc format is supported. Use a lens cleaner disc.
No Sound	Volume too low, headphones not connected properly, audio settings incorrect.	Increase volume using player buttons or remote. Check headphone connection. Verify audio settings in the menu.
Poor Picture Quality	Disc quality, screen settings (brightness, contrast), external connection issues.	Try a different disc. Adjust brightness and contrast settings. Check AV/RCA cable connections if using an external display.
Slave Monitor Not Displaying	DC cable or AV cable not connected correctly between main and slave units.	Ensure both the DC OUT and AV OUT ports on the main player are correctly connected to the DC IN and AV IN ports on the slave monitor.

If issues persist, please refer to the troubleshooting section or contact customer support.
