## BOURGINI 1

# BOURGINI Nostalgic Blender Model 1 Instruction Manual

Model: 1 | Brand: BOURGINI

## IMPORTANT SAFETY INSTRUCTIONS

Please read these instructions carefully before using the appliance and keep them for future reference. Incorrect use may lead to injury or damage to the appliance.

- Always ensure the appliance is unplugged from the power outlet before assembly, disassembly, or cleaning.
- Do not immerse the motor base in water or any other liquid. Clean with a damp cloth only.
- Keep hands and utensils out of the blender jar while blending to reduce the risk of severe injury to persons or damage to the blender. A scraper may be used but only when the blender is not running.
- Blades are sharp. Handle with extreme care when cleaning the blender jar.
- Do not operate the blender with a damaged cord or plug, or after the appliance malfunctions or has been dropped or damaged in any manner.
- Ensure the lid is securely in place before operating the blender.
- Do not blend hot liquids. Allow hot ingredients to cool before blending to prevent pressure buildup and potential injury.
- This appliance is intended for household use only. Do not use outdoors.
- Supervise children to ensure they do not play with the appliance.

## PRODUCT OVERVIEW

The BOURGINI Nostalgic Blender is designed for preparing smoothies, soups, sauces, and crushing ice. It features a robust motor and a durable glass jug.

Image: Assembled BOURGINI Nostalgic Blender, showcasing its retro design and glass jug.

## Components:

- **Motor Base:** Contains the motor and control dial.
- **Glass Jug (1.5 L):** Removable jug with measurement markings and integrated blades.
- **Lid:** Secures to the top of the glass jug.
- **Measuring Cup:** Small removable cap in the lid for adding ingredients during blending.

Image: Exploded view of the blender, showing the motor base, glass jug with blades, lid, and measuring cup.

## SETUP

- Unpacking:** Carefully remove all packaging materials and dispose of them responsibly. Ensure all components are present and undamaged.
- Initial Cleaning:** Before first use, wash the glass jug, lid, and measuring cup in warm soapy water. Rinse thoroughly and dry. Wipe the motor base with a damp cloth.
- Placement:** Place the motor base on a stable, flat, and dry surface. Ensure there is sufficient space around the blender for ventilation.
- Assemble Jug:** Place the glass jug securely onto the motor base. Ensure it is properly seated and locked into position (if applicable, check for a click or alignment marks).
- Power Connection:** Plug the power cord into a suitable electrical outlet (220 Volts).

## OPERATING INSTRUCTIONS

---

Follow these steps for safe and effective blending:

- Prepare Ingredients:** Cut solid ingredients into small pieces (approximately 2-3 cm) to facilitate blending.
- Add Ingredients:** Place ingredients into the glass jug. For best results, add liquids first, then soft ingredients, followed by harder ingredients and ice. Do not exceed the maximum fill line (1.5 L).
- Secure Lid:** Place the lid firmly onto the glass jug and insert the measuring cup into the lid opening.
- Select Speed:** Turn the control dial to the desired speed setting (1 or 2).
  - **Speed 1:** For softer ingredients and general mixing.
  - **Speed 2:** For harder ingredients and more intensive blending.
- Pulse Function (P):** For short bursts of power, turn the dial to 'P' and hold. Release to stop. This is ideal for crushing ice or achieving a coarse chop.
- Blending:** Allow the blender to run until the desired consistency is achieved. Do not operate continuously for more than 1 minute to prevent overheating. Allow a short break between cycles.
- Finish:** Once blending is complete, turn the control dial to '0' (off) and unplug the appliance before removing the lid and pouring.

Image: Close-up view of the blender's control dial, showing '0' (off), 'P' (pulse), '1' (speed 1), and '2' (speed 2) settings.

## CLEANING AND MAINTENANCE

Regular cleaning ensures optimal performance and extends the life of your blender.

- Unplug:** Always unplug the blender from the power outlet before cleaning.
- Disassemble:** Remove the glass jug from the motor base. Carefully remove the lid and measuring cup.
- Clean Jug and Lid:** Wash the glass jug, lid, and measuring cup in warm, soapy water. Use a brush to clean around the blades carefully. Rinse thoroughly and dry. These parts are generally dishwasher safe, but hand washing is recommended for longevity.
- Clean Motor Base:** Wipe the motor base with a damp cloth. Do not immerse the motor base in water or any other liquid. Do not use abrasive cleaners or scouring pads.
- Storage:** Store the assembled blender in a dry, clean place.

## TROUBLESHOOTING

If you encounter issues, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Blender does not start.	Not plugged in; jug not correctly seated; power outage.	Ensure plug is firmly in outlet; re-seat the glass jug securely; check power supply.
Ingredients are not blending smoothly.	Too little liquid; too many ingredients; ingredients too large.	Add more liquid; reduce ingredient quantity; cut ingredients into smaller pieces; use pulse function.
Motor smells or overheats.	Overloaded; continuous operation for too long.	Reduce load; allow blender to cool down for at least 15 minutes before resuming operation. Do not operate continuously for more than 1 minute.
Leakage from the bottom of the jug.	Jug not properly assembled or damaged.	Ensure the blade assembly is tightly secured to the jug (if removable); check for cracks in the jug.

If the problem persists after trying these solutions, please contact customer support.

## SPECIFICATIONS

<b>Brand</b>	BOURGINI
<b>Model Number</b>	1
<b>Capacity</b>	1.5 Liters (1500 Milliliters)
<b>Power</b>	600 W
<b>Voltage</b>	220 Volts
<b>Number of Speeds</b>	3 (including Pulse)
<b>Material</b>	Glass (Jug), BPA Free (Material Type Free)
<b>Color</b>	Black
<b>Special Feature</b>	Multiple Speeds, Suitable for crushing ice
<b>Product Dimensions</b>	83.46 x 70.87 x 151.57 inches (Note: These dimensions seem unusually large for a blender and might be an error in the source data. Please refer to product packaging for accurate dimensions.)
<b>Item Weight</b>	8.45 pounds

## WARRANTY AND SUPPORT

This BOURGINI appliance comes with a standard manufacturer's warranty. For detailed warranty information, please refer to the warranty card included with your product or visit the official BOURGINI website.

For technical support, spare parts, or any questions regarding your product, please contact BOURGINI customer service. Contact details can typically be found on the product packaging or the official brand website.
