3. SETUP

The Hot Wheels die-cast model comes pre-assembled and ready for display or play. No assembly is required.

3.1. Unboxing

1. Carefully remove the die-cast car from its packaging. For collectors, consider preserving the original packaging.
2. Inspect the model for any visible defects or damage.

4. OPERATING

This die-cast model is designed for both display and gentle play. While durable, excessive force or rough handling may cause damage.

- Place the model on a flat, stable surface for display.
- For play, roll the car on smooth surfaces. Avoid dropping or throwing the model.
- This product is suitable for ages 3 and up.

5. MAINTENANCE

Proper maintenance ensures the longevity and preserves the condition of your die-cast model.

- **Cleaning:** Use a soft, dry, lint-free cloth to gently wipe dust from the model. Avoid abrasive cleaners or harsh chemicals, as these can damage the paint finish.
- **Storage:** Store the model in a cool, dry place away from direct sunlight and extreme temperatures to prevent fading or material degradation. For collectors, consider display cases to protect against dust and physical damage.

6. TROUBLESHOOTING

As a static die-cast model, extensive troubleshooting is not typically required. However, if you encounter any issues:

- **Minor Scratches/Paint Chips:** Due to the nature of die-cast models, minor imperfections can occur. For collectible value, it is generally not recommended to attempt repairs that might alter the original finish.
- **Loose Parts:** If any small parts become loose, assess if they can be reattached without damaging the model. For significant issues, refer to the warranty and support section.
