Realme Realme Buds Pro

Realme Wireless Neckband Headphones User Manual

Model: Realme Buds Pro

1. Product Overview

The Realme Wireless Neckband Headphones are designed to provide a superior audio experience with advanced features such as Active Noise Cancellation (ANC), Transparency Mode, and fast charging. Its lightweight and ergonomic neckband design ensures comfort for extended use, making it ideal for daily commutes, workouts, and leisure.

2. Setup Guide

2.1 Initial Charging

Before first use, fully charge the headphones. Connect the USB charging cable to the headphone's charging port and a compatible USB power source. The indicator light will show charging status.

2.2 Bluetooth Pairing

1. Ensure the headphones are powered off.
2. Press and hold the multi-function button until the indicator light flashes blue and red, indicating pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
4. Select "Realme Buds Pro" from the list of found devices.
5. Once connected, the indicator light will turn solid blue.

2.3 Realme Link App

For enhanced customization and features, download the Realme Link app from your device's app store. The app allows for personalized settings and firmware updates.

3. Operating Instructions

3.1 Power On/Off

- **Power On:** Press and hold the multi-function button for 2 seconds.
- **Power Off:** Press and hold the multi-function button for 4 seconds.

3.2 Music Playback

- **Play/Pause:** Single press the multi-function button.
- **Next Track:** Double press the multi-function button.
- **Previous Track:** Triple press the multi-function button.
- **Volume Up:** Press the '+' button.
- **Volume Down:** Press the '-' button.

3.3 Call Management

- **Answer/End Call:** Single press the multi-function button.
- **Reject Call:** Press and hold the multi-function button for 2 seconds.

3.4 Active Noise Cancellation (ANC) & Transparency Mode

Toggle between ANC, Normal, and Transparency modes by pressing the ANC button. Transparency mode allows you to hear your surroundings while listening to audio.

3.5 Gaming Mode

Activate Gaming Mode via the Realme Link app to reduce audio latency for a more synchronized gaming experience.

3.6 Magnetic Instant Connect

The earbuds feature magnetic connection. Separating the earbuds will automatically connect them to your device and resume playback. Clipping them together will disconnect and pause playback, saving battery life.

- **Active Noise Cancellation (ANC):** Dual ANC technology with the Realme S1 chip provides up to 35dB noise reduction, ensuring clear audio and calls even in noisy environments.
- **Transparency Mode:** Allows ambient sounds to pass through, keeping you aware of your surroundings without removing the headphones.
- **Flash Charging & Extended Battery Life:** A 160mAh battery offers up to 22 hours of playback. A quick 5-minute charge provides 100 minutes of listening time.
- **Bluetooth 5.0 & Super Low Latency:** New generation Bluetooth 5.0 ensures stable and smooth connection. Features an ultra-low latency of 119ms, ideal for gaming.
- **Water-Resistant Design:** IPX4 water resistance protects against splashes and sweat, making them suitable for workouts.
- **Lightweight Neckband:** Weighing only 33 grams, the neckband is made of skin-friendly liquid silicone and soft titanium alloy memory metal for comfortable all-day wear.

5. Maintenance

- **Cleaning:** Regularly wipe the earbuds and neckband with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- **Storage:** Store the headphones in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the headphones frequently. Charge them regularly, even if not in use for extended periods.

6. Troubleshooting

Problem	Possible Cause	Solution
Cannot power on	Low battery	Charge the headphones fully.
Cannot pair with device	Headphones not in pairing mode; Bluetooth off on device; interference	Ensure headphones are in pairing mode. Turn Bluetooth off/on on your device. Move closer to the device.
No sound	Volume too low; not connected; incorrect audio output selected	Increase volume. Reconnect headphones. Check device's audio output settings.
Intermittent buzzing sound (right earbud)	Software glitch; specific mode issue	Try resetting the headphones. Check for firmware updates via the Realme Link app. If persistent, contact customer support.
Audio delay	Bluetooth interference; device processing; non-gaming mode	Ensure no strong interference sources nearby. Activate Gaming Mode via the Realme Link app.
Battery not charging	Faulty cable/charger; charging port issue	Try a different USB cable and charger. Clean the charging port. If issue persists, contact customer support.
