What's in the Box

Verify that all components are present in your package:

- OnePlus Buds Z Earbuds (Left and Right)
- Wireless Charging Case
- USB-C Charging Cable
- Ear Cushions (Multiple Sizes: S, M, L)
- User Manual and Safety Information

Setup

1. Initial Charging

Before first use, fully charge the OnePlus Buds Z and their charging case. A full charge provides up to 20 hours of battery life. The earbuds themselves offer approximately 5 hours of listening time on a single charge.

- Connect the provided USB-C cable to the charging port on the case and a power source.

- The indicator light on the case will show charging status.
- A quick 10-minute charge can provide up to 3 hours of listening time for the earbuds.

2. Pairing with Your Device

The OnePlus Buds Z utilize Bluetooth 5.0 for stable connectivity up to 10 meters.

1. Ensure the earbuds are in the charging case and the lid is open.
2. On your smartphone or Bluetooth-enabled device, go to Bluetooth settings and enable Bluetooth.
3. Select "OnePlus Buds Z" from the list of available devices to pair.
4. For OnePlus phone users, Quick Pair functionality is available for seamless connection.

3. HeyMelody App (for Android users)

For enhanced customization and firmware updates, download the HeyMelody app. This app allows you to personalize touch controls and access new features. Requires Android 6.0 or higher when not using a OnePlus phone.

Operating Instructions

1. Wearing the Earbuds

Select the ear tips that provide the most comfortable and secure fit for optimal sound quality and noise isolation. The ergonomic design ensures a stable fit for various activities.

Image: A woman smiling while wearing the OnePlus Buds Z earbuds, demonstrating their comfortable and secure fit during physical activity.

2. Touch Controls

The OnePlus Buds Z feature touch controls for media playback and call management. These controls can be customized via the HeyMelody app.

- **Double Tap:** Default action for playing/pausing music, skipping tracks, or answering/ending calls.
- **In-Ear Detection:** Music automatically pauses when an earbud is removed and resumes when re-inserted.

3. Audio Features

The earbuds are equipped with a 10mm dynamic driver for enhanced audio experience.

- **Bass Boost:** Delivers deeper and cleaner bass for an immersive listening experience.
- **Clear and Stable Calls:** Noise reduction algorithms are integrated for improved voice pickup and call

clarity.

4. Water and Sweat Resistance (IP55)

The OnePlus Buds Z have an IP55 rating, making them resistant to water splashes, sweat, and dust. This allows for use during workouts or in light rain conditions without worry.

Maintenance

To ensure the longevity and optimal performance of your OnePlus Buds Z, follow these maintenance guidelines:

- **Cleaning:** Regularly clean the earbuds, especially the ear tips and charging contacts, with a soft, dry, lint-free cloth. Remove ear tips and clean them with mild soap and water if necessary, ensuring they are completely dry before reattaching.
- **Storage:** Always store the earbuds in their charging case when not in use to protect them from dust, damage, and to keep them charged.
- **Avoid Extreme Conditions:** Do not expose the earbuds or case to extreme temperatures, high

humidity, or corrosive liquids.

Troubleshooting

If you encounter issues with your OnePlus Buds Z, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Earbuds not pairing/connecting	Bluetooth off, earbuds not in pairing mode, interference.	Ensure Bluetooth is on. Place earbuds in case, open lid to enter pairing mode. Move closer to device. Try forgetting device and re-pairing.
Low volume or poor sound quality	Incorrect ear tip size, ear tips dirty, low battery.	Try different ear tip sizes for a snug fit. Clean ear tips and earbud grilles. Charge earbuds and case.
Music pauses unexpectedly	In-ear detection sensor triggered, earbud shifting in ear.	Ensure earbuds are securely seated. Clean the in-ear detection sensors. If persistent, consider disabling in-ear detection via the HeyMelody app if available.
Earbuds not charging	Dirty charging contacts, faulty cable/charger.	Clean the charging contacts on both earbuds and case. Try a different USB-C cable and power adapter.
Microphone issues during calls	Microphone blocked, environmental noise.	Ensure microphone holes are clear. Move to a quieter environment.

Specifications

Feature	Specification
Model Name	Buds Z
Connectivity Technology	Wireless (Bluetooth 5.0)
