breo iDream 5S

breo iDream5S Head and Eye Massager User Manual

Model: iDream 5S

1. PRODUCT OVERVIEW

The breo iDream5S is an innovative head and eye massager designed to provide comprehensive relaxation and care for the entire head area. It features advanced technology and ergonomic design for a comfortable and effective experience.

Key Features

- **360° Full Head Care:** Provides comprehensive care for the entire head, including the crown, eyes, forehead, temples, and neck.
- **Ergonomic 3D Design:** Utilizes 5 airbags to meticulously care for various parts of the head, adapting to different head sizes.
- **Two Care Modes:**
 1. **Mode 1 (Eye-focused):** A 15-minute relaxation course centered on the eyes, featuring gentle movements and a heating function for comfortable eye care.
 2. **Mode 2 (Head-focused):** A 15-minute relaxation course focused on the head, using air pressure airbags to target 5 key areas of the head.
- **Stylish and Premium Design:** Features a simple yet luxurious design with high-quality, skin-friendly materials that are soft and breathable. The eye area uses clear glass for an unobstructed view.
- **User-Friendly Controls:** Scalp care can be turned ON/OFF with a single button on the top. The eye mask is also removable for flexible use.
- **Clear LED Display:** Indicates the current mode for smooth operation.
- **USB Rechargeable:** Conveniently charges via USB, compatible with computer USB ports or smartphone chargers.

2. SETUP

2.1 Unpacking

Carefully remove all components from the packaging. Ensure the following items are present:

- breo iDream5S Main Unit
- USB Charging Cable
- User Manual (this document)

2.2 Charging the Device

Before first use, fully charge the device. Connect the provided USB charging cable to the charging port on the device and plug the other end into a compatible USB power source (e.g., computer, USB wall adapter). The LED indicator will show charging status.

2.3 Initial Fit and Adjustment

For optimal comfort and effectiveness, adjust the device to fit your head size. The iDream5S is designed to accommodate head sizes from 56cm up to 64cm.

1. Place the massager on your head, ensuring the eye mask aligns correctly with your eyes.
2. Rotate the size adjustment button located at the back of the head unit to achieve a snug fit. The ideal fit allows approximately one finger's width of space between your head and the device.
3. To reset the size adjustment to its initial state, long-press the button at the back of the head unit.

3. OPERATING INSTRUCTIONS

3.1 Power On/Off

To power on the device, long-press the main power button. The default mode (Mode 1) will activate, providing 15 minutes of warm care. To power off, long-press the same button again.

3.2 Mode Selection

The iDream5S offers two distinct care modes:

- **Mode 1 (Eye-focused):** This mode concentrates on the eye area with gentle massage and a heating function. It runs for 15 minutes.
- **Mode 2 (Head-focused):** This mode uses air pressure airbags to target 5 key areas across the head. It also runs for 15 minutes.

Press the mode selection button (usually the same as the power button or a dedicated button) to switch between Mode 1

and Mode 2. The LED display will indicate the active mode.

3.3 Heat Function

The heat function is integrated into Mode 1, providing soothing warmth to the eye area. This function activates automatically when Mode 1 is selected.

3.4 Eye Mask Removal

The eye mask component can be detached from the main unit. This allows for flexible use, enabling scalp care without the eye mask if preferred. To remove, gently unclip the eye mask from its connectors.

4. MAINTENANCE

4.1 Cleaning

To clean the device, gently wipe the exterior with a soft, damp cloth. Do not use abrasive cleaners or immerse the device in water. Ensure the device is completely dry before storing or recharging.

4.2 Storage

Store the breo iDream5S in a cool, dry place away from direct sunlight and extreme temperatures. Keep it in its original packaging or a protective case to prevent dust accumulation and damage.

4.3 Battery Care

To prolong battery life, avoid fully discharging the device frequently. Recharge the battery when the indicator shows low power. If the device will not be used for an extended period, charge it every 3-6 months to maintain battery health.

5. TROUBLESHOOTING

If you encounter any issues with your breo iDream5S, please refer to the table below for common problems and their solutions.

Problem	Possible Cause	Solution
Device does not turn on.	Battery is depleted.	Charge the device fully using the provided USB cable.
Device does not turn on.	Power button not pressed correctly.	Ensure you long-press the power button for a few seconds.
Massage intensity feels weak.	Device not properly adjusted.	Adjust the head unit using the rear adjustment button to ensure a snug fit.
Massage intensity feels weak.	Low battery.	Recharge the device.
Heat function is not working.	Not in Mode 1.	Ensure the device is set to Mode 1, as the heat function is exclusive to this mode.
Device stops unexpectedly.	Session timer ended.	Each session is 15 minutes. Restart the device for another session.
Device stops unexpectedly.	Low battery.	Recharge the device.
