## Key Features

- **Hybrid Active Noise Cancelling:** Advanced technology with multiple noise-detecting microphones for superior noise reduction.
- **Multi-Mode Noise Cancelling:** Tailor your listening experience with optimized modes for indoor, outdoor, and transport environments.
- **Oversized 11mm Drivers:** Delivers powerful deep bass without compromising clarity.
- **6-Mic Clear Calls:** Microphones and a noise-cancelling algorithm isolate your voice from background noise and wind for clear conversations.
- **Extended Playtime:** Up to 7 hours on a single charge, and a total of 35 hours with the charging case.
- **Fast Charging:** A 10-minute charge provides 1.5 hours of listening time.
- **Transparency Mode:** Allows ambient sounds to pass through for increased awareness and easy communication.
- **Soundcore App Integration:** Customize sound profiles, control noise cancellation modes, and

manage settings via the dedicated app.

- **Mono Listening:** Use either earbud independently in mono mode.
- **IPX5 Water Resistance:** Provides protection against sweat and rain.

## Setup

1. **Initial Charge:** Before first use, place both earbuds into the charging case and connect the case to a USB-C power source. Ensure the earbuds and case are fully charged. The LED indicators on the case will show charging status.
2. **Power On & Pairing:** Open the charging case. The earbuds will automatically power on and enter Bluetooth pairing mode. The LED indicator on one earbud will flash white.
3. **Connect to Device:** On your device, enable Bluetooth and select "Soundcore Life A2 NC" from the list of available devices. Once connected, the LED indicators on both earbuds will turn solid white for 1 second.
4. **Optimal Fit:** Select the EarTips and EarWings that provide the most secure and comfortable fit for your ears. A proper seal is crucial for effective noise cancellation and sound quality. Gently twist the earbuds into your ear canal until they feel snug.
5. **Download Soundcore App:** For full customization and features, download the Soundcore app from your device's app store.

## Operating Your Earbuds

### Controls

The Soundcore Life A2 NC earbuds feature touch controls. You can customize these controls via the Soundcore app.

- **Double Tap:** Typically used for play/pause or answering/ending calls.
- **Press and Hold (2 seconds):** Often used to switch between Noise Cancellation modes or activate voice assistant.

### Noise Cancellation Modes

The earbuds offer three distinct noise cancellation modes:

- **Transport Mode:** Targets low-frequency noises like engine sounds from planes or trains.
- **Indoor Mode:** Reduces mid-frequency noises such as voices in offices or cafes.
- **Outdoor Mode:** Minimizes ambient noise from traffic and wind.

# MULTI-MODE NOISE CANCELLATION

Image: A user demonstrating the effectiveness of Multi-Mode Noise Cancellation in various environments (Transport, Outdoor, Indoor).

## Transparency Mode

Activate Transparency mode to hear your surroundings without removing your earbuds. This is useful for quick conversations or when you need to be aware of your environment.

## Making Calls

The 6-microphone array with noise-cancelling algorithm ensures your voice is clear during calls, even in noisy environments.

# CRYSTAL-CLEAR CALLS

6 mics isolate your voice  
and eliminate ambient noise  
and wind.

Voice

Noise

## Maintenance

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Remove any earwax or debris from the eartips and speaker mesh using a small brush or cotton swab.
- **Storage:** When not in use, always store the earbuds in their charging case to protect them and ensure they remain charged.
- **Water Resistance:** The earbuds are IPX5 water-resistant, meaning they can withstand sweat and light rain. Do not submerge them in water or expose them to excessive moisture. Ensure they are dry before placing them back in the charging case.
- **Battery Care:** To prolong battery life, avoid fully discharging the earbuds and charging case frequently. Charge them regularly, even if not in constant use.

## Troubleshooting

- **Earbuds not pairing:** Ensure both earbuds are in the charging case and the case has power. Take them out and try pairing again. If issues persist, try resetting the earbuds via the Soundcore app or by following the reset instructions in the full user manual.
- **Poor sound quality or weak bass:** Ensure you have selected the correct size EarTips and EarWings for a secure and airtight seal in your ear canal. Clean any debris from the speaker mesh. Adjust EQ settings in the Soundcore app.
- **Noise Cancellation not effective:** Verify that Noise Cancellation mode is active. Ensure a proper fit with the correct EarTips and EarWings. Try switching between the different Noise Cancellation modes (Transport, Indoor, Outdoor) to find the most effective one for your environment.
- **Earbuds not charging:** Check the USB-C cable and power adapter. Ensure the charging contacts on both the earbuds and the case are clean and free of debris.
- **App connectivity issues:** Ensure your earbuds are connected to your device via Bluetooth. Close and reopen the Soundcore app. Update the app to the latest version.

For more detailed troubleshooting steps, please refer to the comprehensive user manual available through the Soundcore app or Soundcore's official support website.

## Specifications

Feature	Specification
Model Name	Life A2 NC
Model Number	A3935
Connectivity Technology	Wireless (Bluetooth 5.0)
Audio Driver Size	11 Millimeters
Noise Control	Active Noise Cancellation (Multi-Mode)
Playtime (Earbuds)	Up to 7 hours (single charge)
Total Playtime (with Case)	Up to 35 hours
