# VINGLI Patio Lawn Webbed Folding Chairs Instruction Manual

Model: mlawnchair

## PRODUCT OVERVIEW

The VINGLI Patio Lawn Webbed Folding Chairs are designed for comfort and portability, making them ideal for various outdoor activities. This set of two chairs features a durable aluminum frame and breathable webbed seating, providing a comfortable and reliable seating solution for your patio, lawn, beach trips, camping, or garden.

### Key Features:

- **Upgraded Comfort:** Built with durable and breathable web, featuring a higher backrest for enhanced support.
- **Stable Construction:** Heavy-duty metal pipes and anti-slip pads ensure strength, durability, and floor protection.
- **Portable & Lightweight:** Compact folding design for easy storage and transportation, weighing only 9 lbs per chair.
- **Multipurpose Use:** Ideal for beach trips, camping, picnics, yard, garden, and poolside relaxation.
- **High Weight Capacity:** Each chair supports up to 265 lbs.

## SETUP AND UNFOLDING

Setting up your VINGLI folding chair is quick and effortless. Simply grasp the top of the backrest and the front edge of the seat, then pull them apart until the chair fully extends and locks into its open position. Ensure all four legs are firmly on the ground and the chair feels stable before use.

## MAINTENANCE AND CARE

To ensure the longevity and appearance of your VINGLI folding chairs, follow these care instructions:

- **Cleaning:** The manufacturer recommends dry cleaning for the webbed material. For general cleaning, wipe down the frame and webbing with a damp cloth and mild soap. Rinse thoroughly and allow to air dry completely before folding and storing.
- **Storage:** Store chairs in a dry, protected area when not in use, especially during inclement weather or off-season, to prevent rust and wear.
- **Inspection:** Periodically inspect the frame, webbing, and anti-slip pads for any signs of wear, damage, or loose components. Address any issues promptly to maintain safety and stability.

## TROUBLESHOOTING

If you encounter any issues with your VINGLI folding chairs, consider the following common solutions:

<b>Problem</b>	<b>Possible Cause</b>	<b>Solution</b>
Chair feels unstable or wobbly	Uneven ground; frame not fully extended/locked; loose connections.	Ensure chair is on a flat surface. Fully unfold and lock the frame. Check for any loose screws or rivets and tighten if necessary.
Difficulty folding/unfolding	Mechanism obstructed; dirt/debris in joints.	Check for any obstructions. Clean joints and hinges. Apply a small amount of silicone lubricant if needed.
Webbing appears loose or damaged	Normal wear and tear; excessive weight; sharp objects.	Avoid exceeding the weight capacity (265 lbs). Keep sharp objects away from the webbing. If severely damaged, contact VINGLI customer support for repair options.
Anti-slip pads worn or missing	Prolonged use; rough surfaces.	Replace worn or missing anti-slip pads to maintain stability and protect surfaces.
