## StaticTek STI-MK008-Cover-Lt-Blue-5PK

# StaticTek MK008 Reusable Anti-Static Fabric Protective Cover User Manual

Model: STI-MK008-Cover-Lt-Blue-5PK

## 1. INTRODUCTION

---

The StaticTek MK008 Reusable Anti-Static Fabric Protective Cover is designed for use in environments requiring electrostatic discharge (ESD) control and particulate reduction. This product is suitable for both industrial and daily applications, offering a durable and environmentally friendly solution.

Figure 1: StaticTek MK008 Light Blue Reusable Anti-Static Fabric Protective Cover.

## 2. PRODUCT CHARACTERISTICS

---

- **Material Composition:** The outer layer is constructed from anti-static, cleanroom-compatible fabric with droplet resistance. The inner layer features a filter fabric.
- **Functionality:** Designed to be permeable and dustproof, effectively reducing droplet transmission.
- **Durability:** Environmentally friendly and maintains its effectiveness even after 50 washings.
- **ESD Safe:** Produced and packaged in a cleanroom environment, ensuring anti-static properties and freedom from particulate contamination.

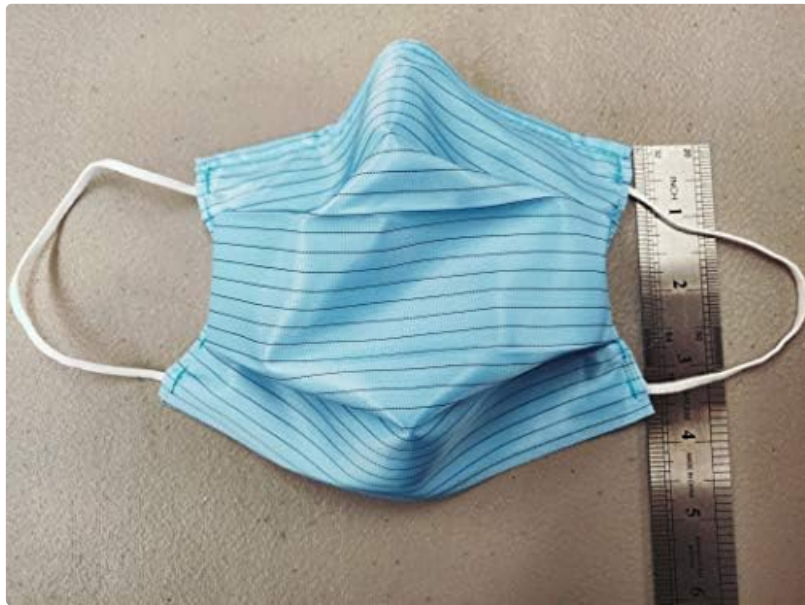

Figure 2: Dimensions of the protective cover, shown with a ruler for scale.

### 3. APPLICATIONS

---

This protective cover is versatile and suitable for various environments:

- **Industrial Workplaces:** Ideal for cleanrooms, laboratories, and manufacturing facilities where ESD control and particulate reduction are critical.
- **Daily Use:** Can be used for general protection in settings such as schools, offices, or homes.

Figure 3: Example of a cleanroom environment where ESD protective covers are essential.

### 4. SETUP AND INITIAL USE

---

1. **Unpacking:** Carefully remove the protective covers from their packaging.
2. **Initial Cleaning:** It is recommended to wash the cover before its first use. Refer to the "Maintenance and Cleaning" section for detailed instructions.
3. **Inspection:** Before each use, inspect the cover for any signs of damage, such as tears or worn areas. Do not use if damaged.
4. **Wearing:** Position the cover over the face, ensuring it covers the nose and mouth. Secure the ear loops comfortably behind the ears.

## 5. OPERATING INSTRUCTIONS

The MK008 protective cover is designed for straightforward use:

- Ensure the cover fits snugly but comfortably, covering both the nose and mouth to maximize protection.
- Avoid touching the outer surface of the cover while in use. If touched, perform hand hygiene.
- For optimal ESD control in sensitive environments, ensure the cover is worn in conjunction with other appropriate ESD protective equipment.

## 6. MAINTENANCE AND CLEANING

Proper maintenance ensures the longevity and effectiveness of your StaticTek MK008 protective cover:

- **Washing Frequency:** Regular washing is required, with frequency dependent on the environment and usage. Daily cleaning is recommended for optimal hygiene and performance.
- **Washing Method:** Hand wash using a neutral cleanser. Avoid harsh chemicals or abrasive cleaning agents that could damage the anti-static properties or fabric.
- **Drying:** Air dry the cover completely before storage or reuse. Do not tumble dry or iron at high temperatures.
- **Storage:** Store in a clean, dry place away from direct sunlight and extreme temperatures.
- **Replacement:** Replace the cover immediately if it shows any signs of damage, such as tears, holes, or significant wear, as its protective capabilities may be compromised.

## 7. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Cover feels loose or ill-fitting.	Incorrect positioning or stretched ear loops.	Adjust the cover to ensure a snug fit over the nose and mouth. If ear loops are stretched, consider replacement.
Reduced effectiveness after washing.	Improper washing method or use of harsh detergents.	Ensure hand washing with a neutral cleanser. Avoid bleach or strong chemicals. Air dry completely.
Visible damage (tears, holes).	Wear and tear or accidental damage.	Immediately replace the damaged cover to maintain protective integrity.

## 8. SPECIFICATIONS

---

Attribute	Detail
Model Number	STI-MK008-Cover-Lt-Blue-5PK
Manufacturer Part Number	MK008-5PK
Brand	StaticTek
Manufacturer	Asiatic Fiber Corporation
Material Type	Polyester, Carbon
Color	Light Blue
Closure Type	Ear Loop
Product Dimensions	4 x 8 x 0.25 inches
Item Weight	2.18 ounces
Number of Items	5 (Pack)
First Available Date	October 2, 2020

## 9. WARRANTY INFORMATION

---

Specific warranty details for the StaticTek MK008 Reusable Anti-Static Fabric Protective Cover are not provided in this manual. For information regarding product warranty, please contact StaticTek customer support directly or refer to the official StaticTek website.

## 10. SUPPORT AND CONTACT INFORMATION
