Sauder 425921

Sauder Steel River TV Stand with Mount

Model: 425921 | Carbon Oak Finish
User Manual

PRODUCT OVERVIEW

The Sauder Steel River TV Stand with Mount is designed to provide a stylish and functional solution for your entertainment needs. This industrial-inspired TV stand features a durable black metal frame and a Carbon Oak finish, offering ample storage and display space for your audio/video equipment and decorative items.

Key features include a mount that supports TVs up to 50 inches and three spacious shelves for organization. A pass-through opening in the back panel ensures neat and accessible cord management.

SETUP AND ASSEMBLY

This product requires assembly. Please follow the manufacturer's detailed assembly instructions provided in the packaging. Ensure all components are present before beginning assembly.

Pre-Assembly Checklist:

- Verify all parts and hardware are included as per the parts list in your assembly guide.
- Ensure you have the necessary tools (e.g., screwdriver, hammer) as specified in the assembly guide.
- Choose a clear, spacious area for assembly to prevent damage to the product or your flooring.

- Review all assembly steps before starting.

Assembly Tips:

- Do not overtighten screws to avoid damaging the engineered wood.
- Assemble the unit on a soft, clean surface to protect the finish.
- Two people are recommended for assembly to ensure stability and ease of handling.

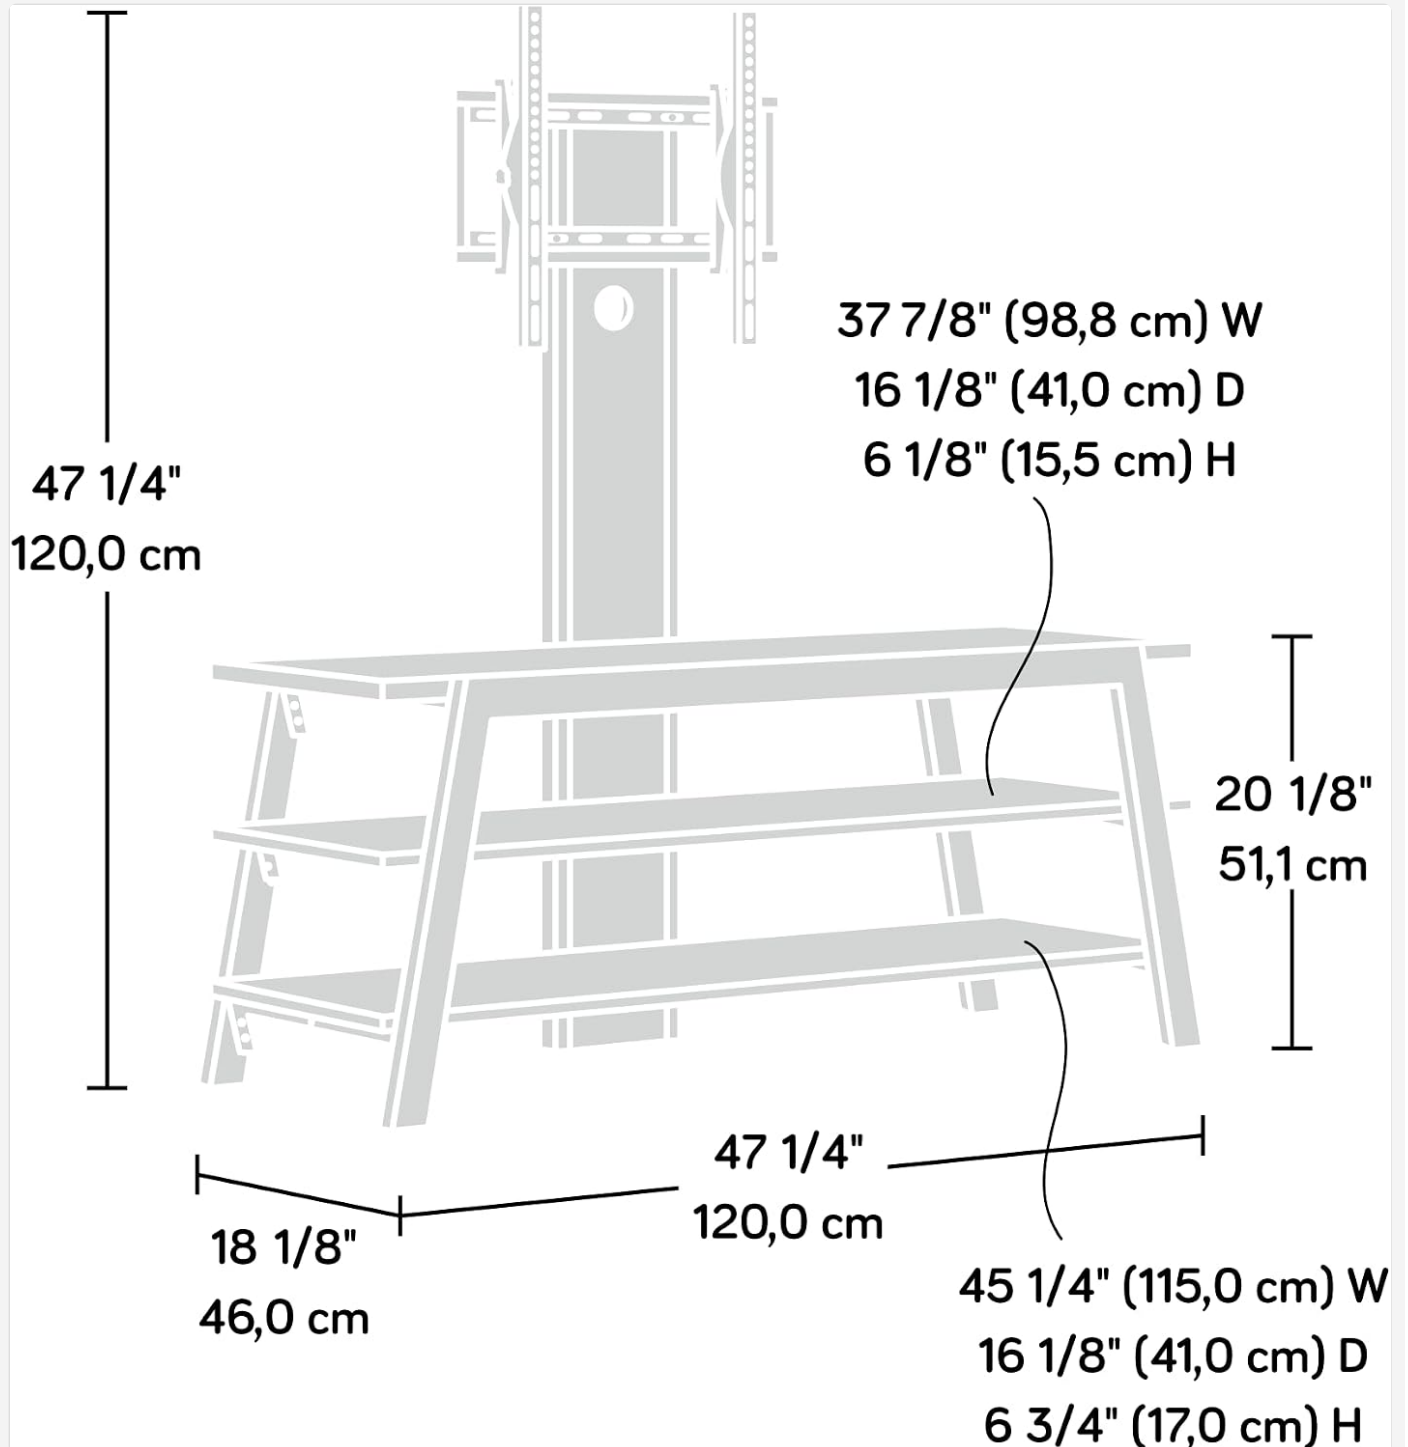

Image: Technical diagram illustrating the dimensions of the Sauder Steel River TV Stand with Mount. Key measurements for width, depth, and height are provided in both inches and centimeters, aiding in space planning and assembly.

Placement Considerations:

Position the TV stand on a level surface to ensure stability. Keep the unit away from direct sunlight and excessive moisture to preserve the finish and structural integrity.

OPERATION AND USAGE

TV Mounting:

The integrated mount is designed to accommodate televisions up to 50 inches in size and weighing 70 lbs. or less. Ensure your TV's VESA mounting pattern is compatible with the stand's mount. Securely attach your television to the mount following the specific instructions provided with the mounting hardware.

Shelf Utilization:

The three spacious shelves provide ample room for various items:

- **Top Shelf:** Ideal for soundbars, gaming consoles, or decorative accents.
- **Middle Shelf:** Suitable for media players, cable boxes, or small books.
- **Bottom Shelf:** Perfect for larger media components, storage bins, or additional decorative items.

Cable Management:

The back panel features a pass-through opening designed for easy cord access and organization. Route all power and

audio/video cables through this opening to maintain a tidy and clutter-free appearance.

CARE AND MAINTENANCE

Proper care will help maintain the appearance and longevity of your Sauder Steel River TV Stand.

Cleaning Instructions:

- Wipe surfaces with a dry, soft cloth.
- Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the Carbon Oak finish or metal frame.
- For stubborn marks, a slightly damp cloth followed immediately by a dry cloth can be used.

General Care Tips:

- Periodically check and tighten all hardware to ensure the unit remains stable.
- Do not place hot items directly on the surface; use coasters or protective pads.
- Avoid exposing the unit to extreme temperature changes or high humidity.

TROUBLESHOOTING

If you encounter any issues with your TV stand, please refer to the following common solutions:

Problem	Possible Cause	Solution
Unit is wobbly or unstable.	Loose hardware; uneven floor.	Tighten all screws and bolts. Ensure the unit is on a flat, level surface. Use shims if necessary.

Problem	Possible Cause	Solution
TV mount does not fit TV.	Incompatible VESA pattern or TV weight exceeds limit.	Verify your TV's VESA pattern and weight against the stand's specifications (up to 50" TV, 70 lbs. or less).
Missing parts or damaged components.	Packaging error or shipping damage.	Contact Sauder customer support immediately for replacement parts. Do not attempt to assemble with missing or damaged parts.
