Peugeot Paris u'Select Manual Pepper Mill Instruction Manual

Model: 39424

PRODUCT OVERVIEW

The Peugeot Paris u'Select Manual Pepper Mill is an iconic and essential tool for gourmets and chefs. Engineered and manufactured in France, this mill is designed to extract the most perfect texture, grind, and flavor from peppercorns. Its sleek design, durable materials, and innovative u'Select mechanism make it a pleasure to use, reflecting the French art of living.

INITIAL SETUP AND FILLING

Unpacking

- Carefully remove the pepper mill from its packaging.
- Inspect the mill for any visible damage.
- Retain packaging for future storage or transport if needed.

Filling the Pepper Mill

Your Peugeot pepper mill comes partially filled with Tan Hoi black pepper for immediate use. To refill the mill:

1. Unscrew the top knob located at the very top of the mill.
2. Lift off the top section of the mill.
3. Pour peppercorns into the reservoir. Ensure peppercorns are no larger than 1/4-inch (6mm) in size.
4. Replace the top section and screw the knob back on securely.

Image: A visual representation of the mill ready for seasoning, with a jar of peppercorns.

OPERATION

Adjusting Grind Settings (u'Select System)

The patented u'Select system allows you to precisely select your desired grind coarseness. There are six predefined settings, ranging from extra fine to very coarse, to bring out the full aromatic depth of your pepper.

- **Setting 1 (Extra Fine):** Ideal for delicate sauces or when a strong, spicy flavor is desired.
- **Settings 2-3 (Medium):** Suitable for everyday cooking and seasoning.
- **Settings 4-6 (Coarse to Very Coarse):** Best for highlighting the aromas and flavor of the pepper in dishes like steaks or salads.

To adjust the grind setting, simply twist the ring at the base of the mill to align with your desired setting (indicated by numbers or dots).

Image: A diagram illustrating the six pre-defined grind settings available with the u'Select system.

Grinding Pepper

Once the desired grind setting is selected, simply turn the top of the mill clockwise to grind the peppercorns. The two-stage grinding mechanism first cracks and then grinds the peppercorns to your chosen coarseness.

Image: The Peugeot pepper mill positioned next to a prepared dish, illustrating its practical application in seasoning.

CARE AND MAINTENANCE

Cleaning

To maintain the quality and appearance of your Peugeot pepper mill:

- Wipe the exterior of the mill with a dry, soft cloth.
- Do not use abrasive cleaners or harsh chemicals, as these can damage the wood finish.
- The mill is **not dishwasher safe**. Do not immerse it in water.
- For the grinding mechanism, a small brush can be used to remove any residual pepper dust.

Storage

Store your pepper mill in a dry place away from direct sunlight and excessive humidity to preserve the beechwood and mechanism.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Mill not grinding or grinding poorly.	Reservoir empty; peppercorns too large; mechanism clogged; top knob loose.	Refill mill; ensure peppercorns are max 1/4-inch; clear any blockages with a brush; tighten top knob.

Problem	Possible Cause	Solution
Inconsistent grind size.	u'Select setting has shifted; incorrect peppercorn type.	Re-adjust the u'Select ring to the desired setting; ensure you are using whole, dry peppercorns.
Mill is difficult to turn.	Overfilled; foreign object in mechanism; mechanism needs cleaning.	Remove some peppercorns; check for and remove any foreign objects; clean the mechanism thoroughly.

PRODUCT SPECIFICATIONS

Feature	Detail
Brand	Peugeot
Model Number	39424
Material	Beechwood
Color	Graphite
Product Dimensions	8.67"W x 8.67"H (for this specific variant)
Item Weight	10.9 ounces (0.31 Kilograms)
Operation Mode	Manual
Recommended Use	Grinding peppercorns
Dishwasher Safe	No

WARRANTY AND SUPPORT

Warranty Information

Peugeot mills are known for their durability and quality. The grinding mechanism of your Peugeot mill comes with a lifetime guarantee, ensuring long-lasting performance and peace of mind.
