SETUP

Initial Charging

Before first use, fully charge the earphones and the charging case. Connect the provided Lightning cable to the charging case and a USB power source. The charging indicator will show the charging status. A full charge for the charging box takes approximately 1.5 hours, and for the earphones, it takes about 0.5 hours.

Put it down to charge immediately

The new charging box supports wireless charging.
Also supports lightning port wired charging

Bluetooth Pairing

1. Ensure the earphones are charged.
2. Open the charging case. The earphones will automatically enter pairing mode.
3. On your mobile device (e.g., cellphone), navigate to the Bluetooth settings.
4. Search for available devices and select "Devia Kintone" or a similar name.
5. Once connected, your device will indicate successful pairing.

The earphones support Bluetooth 5.0 for a stable and efficient connection.

OPERATING INSTRUCTIONS

Power On/Off

The earphones automatically power on when removed from the charging case and power off when placed back into the case and the lid is closed.

Music Playback

- **Play/Pause:** The earphones feature an in-ear induction function. Remove an earphone to pause music playback, and put it back on to resume music playback.
- **Volume Control:** Adjust volume directly from your connected device.

Call Management

Specific touch controls for call management are not detailed in the provided information. Please refer to your device's Bluetooth settings for call routing options or use your phone's interface to answer/end calls.

FEATURES

The Devia Kintone Series TWS Wireless Earphones are designed with several advanced features for an enhanced audio experience:

- **In-ear Induction Function:** Automatically pauses music when removed and resumes when worn.
- **High Fidelity Speaker:** Equipped with 13mm speakers for clear and rich audio.
- **Bluetooth 5.0:** Provides a stable and efficient wireless connection.
- **Intelligent Noise Reduction:** Enhances call clarity and listening experience.
- **Comfortable Design:** Ergonomically designed for comfortable wear.
- **Large Capacity Charging Bin:** 300mAh charging case for extended battery life.
- **Primary and Secondary Switching:** Allows for seamless use of either earphone independently.
- **Fully Compatible:** Works with a wide range of Bluetooth-enabled devices.

MAINTENANCE

To ensure the longevity and optimal performance of your Devia Kintone earphones, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the earphones and charging case. Do not use abrasive cleaners or solvents.
- **Storage:** When not in use, store the earphones in their charging case to protect them from dust and damage.
- **Avoid Water:** The earphones are not waterproof. Avoid exposure to water, moisture, or excessive humidity.
- **Temperature:** Do not expose the earphones to extreme temperatures (hot or cold).

TROUBLESHOOTING

If you encounter issues with your earphones, try the following solutions:

- **Earphones not pairing:**
 - Ensure both earphones are charged.
 - Turn off Bluetooth on your device and turn it back on.
 - Forget the device from your phone's Bluetooth list and try pairing again.

- Place earphones back in the case, close the lid, wait a few seconds, then open to re-enter pairing mode.

- **No sound:**

- Check the volume level on your connected device.
- Ensure earphones are properly connected to your device.
- Re-pair the earphones.

- **Charging issues:**

- Ensure the charging cable is securely connected to both the case and the power source.
- Try a different charging cable or power adapter.
- For wireless charging, ensure the case is correctly positioned on the charging pad.
