Amico AMIFAA SHOES

Amico Men's Fashion Sandal Instruction Manual

Model: AMIFAA SHOES

INTRODUCTION

This instruction manual provides essential information for the proper use, care, and maintenance of your Amico Men's Fashion Sandals. Please read this manual thoroughly before first use to ensure optimal performance and longevity of your footwear. Retain this manual for future reference.

PRODUCT OVERVIEW

The Amico Men's Fashion Sandals are designed for comfort and durability, suitable for casual wear and rainy season conditions. They feature a water-resistant design, slip-resistant grip, and adjustable straps for a secure fit.

SETUP AND FIRST USE

- 1. Unpacking:** Carefully remove the sandals from their packaging. Inspect them for any visible damage.
- 2. Strap Adjustment:** The sandals feature a Hook & Loop closure. Adjust the strap over the instep to achieve a comfortable and secure fit. Ensure the strap is neither too tight nor too loose to prevent discomfort or slipping.
- 3. Initial Wear:** Wear the sandals for a short period initially to allow them to conform to your foot shape.

OPERATING (WEARING) INSTRUCTIONS

- **Secure Fit:** Always ensure the adjustable strap is fastened securely before walking to prevent accidental slips or falls.
- **Water Resistant Use:** These sandals are designed to be water resistant, making them suitable for rainy conditions. However, they are not fully waterproof for prolonged submersion.
- **Surface Considerations:** While featuring a slip-resistant grip, exercise caution on extremely wet, oily, or uneven surfaces.
- **Comfort:** If you experience any discomfort, re-adjust the straps. Prolonged wear with an improper fit can lead to foot strain.

MAINTENANCE AND CARE

- **Cleaning:**

- For general cleaning, wipe the sandals with a damp cloth and mild soap.
- Do not use harsh chemicals, abrasive cleaners, or stiff brushes, as these can damage the faux leather material.
- Rinse thoroughly with clean water and wipe dry.

- **Drying:**

- Allow the sandals to air dry naturally at room temperature.
- Avoid direct sunlight or artificial heat sources (e.g., heaters, hair dryers), as this can cause the material to crack or deform.

- **Storage:**

- Store the sandals in a cool, dry place away from direct sunlight when not in use.
- Ensure they are clean and completely dry before storing to prevent mildew or odor.

TROUBLESHOOTING

Issue	Possible Cause	Solution
Slipping while walking	Loose strap, wet/oily surface, worn sole.	Tighten strap. Exercise caution on slippery surfaces. If sole is worn, consider replacement.
Discomfort or rubbing	Strap too tight/loose, new footwear breaking in.	Adjust strap for optimal comfort. Allow time for sandals to conform to your feet.
Odor development	Improper drying, prolonged wetness.	Ensure sandals are thoroughly dried after each use. Clean regularly.

SPECIFICATIONS

- Model:** AMIFAA SHOES
- Material Type:** Faux Leather
- Closure Type:** Hook & Loop
- Heel Type:** Flat
- Water Resistance Level:** Water Resistant
- Strap Type:** Adjustable Strap
- Product Dimensions:** 20 x 8 x 15 cm (approximate, for a single sandal)
- Item Weight:** 750 g (for the pair)
- Manufacturer:** AMICO SHOES / AMI FASHION STORE
- Country of Origin:** India
