Bedz King BK961EL-Drawers

Bedz King Twin Over Full Mission Style Bunk Bed Instruction Manual

Model: BK961EL-Drawers | Brand: Bedz King

Important Safety Information

WARNING: Follow the information on the warning labels on the upper bunk bed structure and the carton. Please do not remove the warning label from the bed.

- Do not allow children under 6 years of age to use the upper bunk.
- Prohibit more than one person on the upper bunk.
- Always use the ladder or stairway to enter and leave the upper bunk.
- If the bunk bed is placed next to the wall, the guardrail that runs the full length of the bed should be placed against the wall to prevent entrapment between the bed and the wall.
- Always use guardrails on both long sides of the upper bunk.
- Never attach or hang items to any part of the bunk bed that are not designed for use with the bed, for example, but not limited to hooks, belts, and jump ropes.

Product Overview

The Bedz King Twin over Full Mission Style Bunk Bed with End Ladder and 2 Under Bed Drawers is designed for durability and functionality. Constructed from solid Brazilian Pine, this bunk bed offers a child-safe finish and eliminates the need for a bunkie board or mattress. It features an end ladder for easy access to the top bunk and includes two convenient under-bed storage drawers.

Key Features:

- Twin over Full configuration, convertible to one Twin bed and one Full bed.
- Integrated end ladder for safe and easy access to the upper bunk.
- Two under-bed drawers for additional storage.

- Constructed from solid Brazilian Pine, ensuring durability and stability.
- Child-safe finish for enhanced safety.
- Complete set of slats included, eliminating the need for a box spring or bunkie board.

Compatible Mattress Size	Twin (top), Full (bottom)
Assembly Required	Yes
Item Weight	222 pounds
UPC	850018217323

Setup and Assembly

Assembly of the Bedz King Bunk Bed requires two adults and basic tools (hammer, drill). Please ensure all parts are present before beginning assembly. Refer to the included assembly instructions for detailed diagrams and step-by-step guidance. An official assembly video is also provided below for visual assistance.

Assembly Video Guide:

Your browser does not support the video tag.

Detailed assembly guide for the Twin over Full Bunk Bed with Ladder. This video demonstrates the step-by-step process of putting together the bunk bed frame, including dowel insertion, rail connections, and slat installation. (Duration: 2:57)

Key Assembly Steps (Refer to manual for full details):

1. **Unpack and Identify Parts:** Carefully unpack all components and verify against the parts list in your manual. Separate hardware into labeled bags.
2. **Assemble End Panels:** Insert dowels into designated holes on the end panel pieces. Connect the vertical posts to the horizontal rails to form the headboards and footboards for both the twin and full beds. Secure with bolts using the provided Allen wrench.

3. **Attach Side Rails (Lower Bunk):** Connect the long side rails to the assembled headboard and footboard sections of the full-size bed. Ensure all connections are secure.

Image: The lower full-size bed frame fully assembled, ready for slats.

4. **Install Slats (Lower Bunk):** Place the wooden slats across the lower bunk frame. Use the provided spacer to ensure even distribution and secure each slat to the side rails with screws.

Image: Close-up of the wooden slats properly installed on the lower bunk, providing mattress support.

5. **Assemble Upper Bunk Frame:** Repeat steps for the twin-size upper bunk frame, ensuring all connections are tight and secure.
6. **Position Upper Bunk:** With assistance, carefully lift and position the assembled twin-size upper bunk onto the lower full-size bunk. Align the posts and secure them using the designated hardware.

Operating Instructions

Converting to Two Separate Beds:

This bunk bed is designed to convert into one twin-size bed and one full-size bed. To convert:

1. Remove mattresses from both bunks.
2. Carefully detach the upper twin bunk from the lower full bunk by unscrewing the connecting hardware.
3. Remove the end ladder.
4. The top bunk footboard will have a gap that was the entryway for the ladder; this is normal for the converted twin bed.
5. Position the two beds as desired in your space.

Maintenance

- **Cleaning:** Wipe the bed frame with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as they may damage the finish.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten if necessary to maintain stability and safety.

- **Slat Inspection:** Inspect the wooden slats regularly for any signs of damage or wear. Replace any broken or cracked slats immediately to ensure proper mattress support.
- **Environmental Conditions:** Avoid placing the bed in direct sunlight or near heat sources, which can cause wood to warp or crack. Maintain a stable room temperature and humidity.

Troubleshooting

Problem	Possible Cause	Solution
Bed feels wobbly or unstable.	Loose hardware connections.	Check and tighten all bolts and screws. Ensure all components are properly seated.
Squeaking noises.	Loose connections or friction between wood parts.	Tighten all hardware. Apply a small amount of wax or silicone spray to contact points between slats and rails if squeaking persists.
Drawers do not slide smoothly.	Obstruction or misaligned runners.	Check for any objects obstructing the drawer path. Ensure drawer runners are correctly installed and aligned. Clean any dust or debris from the runners.
Missing or damaged parts upon arrival.	Shipping damage or packing error.	Refer to the Warranty and Support section for contact information to request replacement parts.

Warranty and Support

Product Warranty:

Bedz King products come with a**90-day warranty** from the delivery date. This warranty covers any parts that are damaged or missing upon receipt. Please retain your proof of purchase for warranty claims.

Customer Support:

For any questions, concerns, or assistance with assembly, parts, or warranty claims, please contact Bedz King customer support. Contact details can typically be found on the packaging, the retailer's website, or through the "Quality Bunk Beds" seller page on Amazon.
