nanoblock NBPM_043, NBPM_044

Nanoblock Pokemon Espeon & Umbreon Building Set Instruction Manual

1. INTRODUCTION TO NANOBLOCKS

Nanoblocks are micro-sized building blocks, significantly smaller than typical building blocks. The smallest pieces measure 4 x 4mm. They feature a double-ridged backing system designed for a secure and snug fit, making them ideal for creating detailed projects, both large and small. This instruction manual provides guidance for assembling your Nanoblock Pokemon Espeon and Umbreon figures.

2. PRODUCT OVERVIEW

This Nanoblock set includes two popular Pokemon characters: Espeon (also known as Eifie in Japan) and Umbreon (known as Blacky in Japan). Each character is designed for detailed assembly using micro-sized blocks, offering a rewarding building experience.

- **Espeon (NBPM_043):** Consists of 130 pieces. Assembled size: 52 x 48 x 60 mm (1.6 x 1.65 x 2.5 inches).
- **Umbreon (NBPM_044):** Consists of 130 pieces. Assembled size: 44 x 51 x 60 mm (1.6 x 1.65 x 2.5 inches).

Both sets come with illustrated assembly instructions to guide you through the building process. The package dimensions for each individual set are approximately 105 x 180 x 15 mm (4.1 x 7.1 x 0.6 inches).

3. SETUP AND ASSEMBLY

Before you begin, ensure you have a clean, well-lit workspace. Due to the small size of Nanoblock pieces, it is recommended to work on a surface where pieces are less likely to be lost.

1. **Unpack the Blocks:** Carefully open the packaging for either Espeon or Umbreon. The blocks are typically provided in sealed bags.
2. **Review Instructions:** Familiarize yourself with the illustrated assembly instructions provided in the package. Each step clearly indicates the type and quantity of blocks required.
3. **Sort Pieces (Optional but Recommended):** For easier assembly, you may wish to sort the blocks by color and shape. This can significantly speed up the building process.
4. **Begin Assembly:** Follow the step-by-step diagrams in the instruction manual. Pay close attention to the orientation of each block. Nanoblocks are designed to fit snugly; apply gentle, firm pressure to connect them.
5. **Utilize Extra Pieces:** Nanoblock sets often include a few extra pieces of common block types. Do not be concerned if you have a few pieces left over after completing your figure; this is normal to account for potential loss of small parts.

4. OPERATING INSTRUCTIONS

Nanoblock figures are static display models. Once assembled, they do not require any operational steps. They are intended for display and collection purposes.

5. MAINTENANCE

To maintain the appearance of your Nanoblock figures:

- **Cleaning:** Gently dust the figures with a soft brush or a dry cloth. For more stubborn dirt, a slightly damp cloth can

be used, but avoid excessive moisture.

- **Storage:** Store figures away from direct sunlight and extreme temperatures to prevent discoloration or material degradation.
- **Handling:** Handle figures carefully to avoid accidental disassembly, especially with smaller, delicate parts.

6. TROUBLESHOOTING

If you encounter issues during assembly or with your completed figure:

- **Missing Pieces:** Double-check your workspace and packaging. As mentioned, extra pieces are often included. If a crucial piece is genuinely missing, contact the manufacturer.
- **Difficulty Connecting Blocks:** Ensure blocks are correctly oriented and aligned. Apply firm, even pressure. Avoid forcing blocks, as this can damage them.
- **Figure Instability:** Re-examine the base and lower layers of your figure to ensure all blocks are securely connected according to the instructions.

7. SPECIFICATIONS

Feature	Detail
Brand	nanoblock
Manufacturer	Kawada
Model Numbers	NBPM_043 (Espeon), NBPM_044 (Umbreon)
Recommended Age	14 years and up
Espeon Assembled Size	52 x 48 x 60 mm (1.6 x 1.65 x 2.5 inches)
Umbreon Assembled Size	44 x 51 x 60 mm (1.6 x 1.65 x 2.5 inches)
Number of Pieces (each)	130 pieces
Package Dimensions (each)	105 x 180 x 15 mm (4.1 x 7.1 x 0.6 inches)
Item Weight (total)	2.12 ounces

8. SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small parts. Not for children under 3 years. Due to the very small size of the blocks, this product is recommended for ages 14 and up. Adult supervision is advised for younger builders within the recommended age range.

9. WARRANTY AND SUPPORT

For any questions regarding your Nanoblock product, including missing parts or assembly assistance, please refer to the manufacturer's official website or contact their customer support directly. Specific warranty details may vary by region and retailer.

ASK A QUESTION ABOUT THIS MANUAL

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
