Edifier X5

Edifier X5 True Wireless Earbuds User Manual

Model: X5

INTRODUCTION

Thank you for choosing the Edifier X5 True Wireless Earbuds. This manual provides detailed instructions for the proper use, setup, and maintenance of your new earbuds. Please read this manual thoroughly before use to ensure optimal performance and longevity of your device.

SETUP AND FIRST USE

Charging the Earbuds and Case

Before first use, ensure both the earbuds and the charging case are fully charged. Connect the charging case to a power source using the provided USB cable. The indicator light on the case will show charging status.

Pairing with a Device

1. **Initial Pairing:** Open the charging case and remove both earbuds. They will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, etc.), enable Bluetooth and search for new devices.
3. Select "Edifier X5" from the list of available devices to connect. Once connected, you will hear an audible confirmation.
4. **Subsequent Use:** After the initial pairing, the earbuds will automatically connect to the last paired device when removed from the charging case.

Freely Switch User -friendly Control

With light taps of your fingertip, multi-functions can be realized with quick response. What an experience of convenient and efficient control!

Touch Controls

The Edifier X5 earbuds feature intuitive touch controls for various functions. Specific actions may vary slightly depending on your device and application.

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Press and hold on either earbud.
- **Activate Voice Assistant:** Triple tap on either earbud (e.g., Siri, Google Assistant).

Qualcomm® aptX™

Aptx Decoding For All-time Enjoyment

With AptX audio decoding with a high decoding rate of 352kbps at 16bit/44.1kHz, the X5 delivers outstanding sound details and restores rich emotions in the music.

Noise Canceling Microphone

The earbuds are equipped with CVC 8.0 noise canceling technology. This feature automatically reduces background

noise during calls, ensuring clear voice transmission with rich detail for both you and the person you are speaking with.

Water and Dust Proof No Need to Worry

With IP55 dust and water proof and multiple processes of protection, the user freely enjoys music without worrying about rains or sweat.

High-Fidelity Audio with AptX

The Edifier X5 utilizes AptX audio decoding technology, providing CD-quality sound performance. This ensures a full range of audio, deep bass, and balanced tri-frequency response, professionally tuned for an enhanced listening experience.

CARE AND MAINTENANCE

Cleaning

Regularly clean your earbuds and charging case with a soft, dry, lint-free cloth. Avoid using harsh chemicals or abrasive materials. For ear tips, gently remove them and clean with a damp cloth, ensuring they are completely dry before reattaching.

Water and Dust Resistance

The Edifier X5 earbuds feature an IP55 dust and waterproof rating. This protects them from dust ingress and low-pressure water jets from any direction. They are suitable for sports and outdoor activities, but should not be submerged in water.

Comfortable Wearing

Ear tips are engineered from a super -soft liquid silicone for exceptional in-ear comfort. Tips are also available in multiple sizes to ensure everyone has a perfect listening experience.

Storage

When not in use, store the earbuds in their charging case to protect them and ensure they remain charged. Store the case in a cool, dry place away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

If you encounter issues with your Edifier X5 earbuds, please refer to the following common solutions:

- **No Sound/Connection Issues:**
 - Ensure earbuds are charged and removed from the case.
 - Verify Bluetooth is enabled on your device and "Edifier X5" is selected.
 - Try unpairing and re-pairing the earbuds with your device.
 - Restart your device.

- **Earbuds Not Charging:**
 - Ensure the charging cable is securely connected to both the case and the power source.
 - Check if the charging case itself has power.
 - Clean the charging contacts on both the earbuds and inside the case with a dry cotton swab.
- **Earbuds Remain Connected in Case:**
 - Ensure the earbuds are properly seated in the charging case and the lid is closed.
 - Clean the charging contacts on both the earbuds and inside the case.
 - A firmware update might be available if this issue persists (check Edifier's official website).
- **Touch Controls Too Sensitive/Unresponsive:**
 - Ensure your fingers are clean and dry when using touch controls.
 - Avoid accidental touches when adjusting the earbuds in your ear.
- **Low Volume:**
 - Adjust the volume on both your connected device and via the earbud controls (if applicable).
 - Ensure ear tips are properly sealed in your ear canal.
