## 3. SETUP

---

### 3.1 Inserting the SIM Card and Battery

Your Alcatel 3080G uses a Micro SIM card. Follow these steps to insert your SIM card and battery:

1. **Remove the back cover:** Gently pry open the back cover from the notch located at the bottom of the phone.
2. **Insert the SIM card:** Locate the SIM card slot. Insert your Micro SIM card with the gold contacts facing down and the cut corner aligned with the slot. Push it in until it clicks into place.
3. **Insert the battery:** Align the battery's gold contacts with the terminals in the phone's battery compartment. Gently press the battery down until it fits securely.
4. **Replace the back cover:** Place the back cover over the phone and press along the edges until it clicks securely into place.
