# **Max & Lily Low Bunk Bed Twin-Over-Twin with Stairs and Curtains**

Instruction Manual for Model: 185220151022

## **PRODUCT OVERVIEW**

---

The Max & Lily Low Bunk Bed with Stairs and Curtains is designed to provide a safe, functional, and enjoyable sleeping and play environment for children. This twin-over-twin bunk bed features a low-profile design, making it suitable for rooms with lower ceilings and safer for younger children. The integrated staircase offers easy access to the top bunk and includes built-in storage. The bed also comes with removable cotton play curtains to create an imaginative play space under the bottom bunk.

## IMPORTANT SAFETY INFORMATION

---

**Please read all safety warnings and instructions carefully before assembly and use.**

- Always assemble this bunk bed with a minimum of two adults. The solid wood construction is heavy and requires careful handling to prevent injury.
- Do not exceed the maximum weight capacity of 400 pounds for each sleeping surface.
- Ensure younger children are supervised when around the bunk bed, especially during play, to prevent accidents.
- The top bunk features tall 14-inch guardrails. For optimal safety, use a mattress that allows for sufficient guardrail height above the mattress surface.
- This bed meets or exceeds Federal safety standards for children's furniture.

## PRODUCT FEATURES

---

- **Superior Quality Construction:** Crafted from solid, knot-free New Zealand pine wood, ensuring strength and stability. Features a durable, non-toxic, low VOC finish.
- **Modern Design:** Slatted headboard and footboard with flush, color-matched hardware for a clean, contemporary aesthetic.
- **Integrated Staircase:** The staircase design includes anti-slip steps and bannisters for safe and comfortable climbing. It also provides extra storage space within its shelves.
- **Versatile Configuration:** The staircase can be installed on either the left or right side during assembly, offering flexibility to suit various room layouts.
- **Low Profile Design:** At only 50 inches high, this bed is ideal for rooms with low ceilings and provides a safer sleeping option for younger children, with the bottom bed sitting just two inches off the floor.
- **Play Curtains:** Removable 100% cotton play curtains (one front panel, one side panel) easily attach with hook and loop fasteners, transforming the under-bed area into a fun play space.
- **Mattress Compatibility:** Designed to accommodate standard twin-size mattresses. Plywood slats are included, eliminating the need for a box spring or bunkie board.

## SETUP AND ASSEMBLY

Assembly of the Max & Lily Low Bunk Bed requires two or more adults. All necessary instructions, upper/lower slat rolls, and hardware are included in the packaging. Follow the step-by-step instructions provided in the assembly guide that accompanies your product for detailed guidance.

### Key Assembly Considerations:

- **Unpacking:** Carefully unpack all components and verify against the parts list in your assembly guide to ensure all pieces are present and undamaged.
- **Staircase Orientation:** Decide whether to install the staircase on the left or right side of the bed frame before beginning assembly, as this choice will affect certain steps.
- **Hardware:** Use only the provided hardware. Ensure all bolts and screws are tightened securely, but do not overtighten to avoid damaging the wood.
- **Slat Installation:** Install the plywood slats for both the upper and lower bunks as directed. These slats provide mattress support and eliminate the need for a box spring.
- **Curtain Attachment:** The play curtains attach easily with hook and loop fastener strips once the bed frame is assembled.

## OPERATING AND USAGE

---

The Max & Lily Low Bunk Bed is designed for both sleeping and imaginative play. To ensure safe and proper use, observe the following guidelines:

- **Mattress Selection:** Use standard twin-size mattresses. A 5-inch thick mattress is recommended for the top bunk to maintain adequate guardrail height. Do not exceed an 8-inch mattress thickness for the top bunk.
- **Top Bunk Access:** Utilize the integrated staircase for safe and easy access to the top bunk. Do not allow jumping onto or off the top bunk.
- **Play Area:** The removable curtains create a private play space under the bottom bunk. Ensure the area is clear of obstructions and that children can enter and exit safely.
- **Weight Limits:** Adhere strictly to the 400-pound weight limit per sleeping surface.

## MAINTENANCE

---

Regular maintenance will help preserve the quality and longevity of your Max & Lily Low Bunk Bed.

- **Cleaning the Wood Frame:** Wipe the wood surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Curtain Care:** The 100% cotton play curtains can be removed for cleaning. Refer to the care label on the curtains for specific washing instructions, typically machine wash cold and tumble dry low.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Retighten as necessary to maintain structural integrity.
- **Ventilation:** Ensure adequate air circulation around the bed to prevent moisture buildup, especially under the mattress.

## TROUBLESHOOTING

---

If you encounter any issues with your Max & Lily Low Bunk Bed, consider the following common solutions:

- **Squeaking Noises:** Squeaking often indicates loose hardware. Check and retighten all bolts and screws on the bed frame and staircase.
- **Stability Concerns:** Ensure the bed is placed on a flat, level surface. Verify that all assembly steps were followed correctly and all connections are secure.
- **Curtains Not Staying Attached:** Check the hook and loop fastener strips on both the curtains and the bed frame for debris or wear. Clean or replace if necessary.

For issues not resolved by these steps, please contact Max & Lily customer support for assistance.

## SPECIFICATIONS

---

Image: Dimensional diagram of the Max & Lily Low Bunk Bed.

Attribute	Detail
Brand	Max & Lily
Model Number	185220151022
UPC	810047901068
