4. ASSEMBLY INSTRUCTIONS

Assembly of this desk typically requires four main steps. Follow the included step-by-step instructions and diagrams provided in your package for detailed guidance. The following is a general overview:

3. **Step 3: Attach the Desktop.** Carefully place the desktop onto the assembled frame. Align the pre-drilled holes and secure the desktop with the appropriate screws. Tighten all frame screws fully after the desktop is in place.
4. **Step 4: Install the Storage Shelves.** Attach the two storage shelves to the frame. This desk features a reversible design, allowing you to install the shelves on either the left or right side according to your preference. Secure the shelves with the designated hardware. Finally, attach the adjustable anti-slip foot pads to the bottom of the desk legs.

 - Check the X-shaped steel support at the back for proper installation and tightness.
- **Parts Do Not Align:**
 - Loosen all screws slightly, realign the parts, and then retighten them evenly.
