JEKCA ST19ML03

JEKCA Dolphin 01S Building Blocks Instruction Manual

Model: ST19ML03

Introduction

This manual provides detailed instructions for assembling your JEKCA Dolphin 01S building block sculpture. JEKCA utilizes a unique brick-through interlocking system designed for creating sturdy and detailed models. Please read all instructions carefully before beginning assembly.

What's in the Box

Verify that all components are present before starting assembly:

- Instruction Manual
- Building Bricks (various shapes and colors)
- Interlocking Pins
- Pin Driver Tool
- Quick Guide

Setup and Assembly

General Assembly Principles

JEKCA models are assembled using an innovative brick-through interlocking system. This system involves inserting pins through the bricks to secure them, creating a robust structure. The included pin driver tool is essential for this process.

The assembly process involves three primary steps:

1. Align two bricks to be connected.
2. Insert the interlocking pins through the designated holes.
3. Use the pin driver tool to turn the pins 90 degrees to lock the bricks securely in place.

Image: Visual guide demonstrating the three steps for interlocking JEKCA bricks using pins and the driver tool.

Dolphin 01S Model Assembly

Follow the step-by-step instructions provided in the included printed manual for the specific assembly sequence of the Dolphin 01S model. Pay close attention to the brick colors and placement as indicated in the diagrams.

Operating Instructions

Once assembled, your JEKCA Dolphin 01S model is a static display piece. Handle with care to prevent accidental disassembly. The interlocking system provides significant stability, but excessive force can still cause bricks to separate.

Maintenance

To maintain the appearance of your JEKCA sculpture:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. For more stubborn dirt, a slightly damp

cloth can be used, but avoid excessive moisture.

- **Storage:** If disassembling for storage, keep all bricks and pins organized to facilitate future reassembly. Store in a cool, dry place away from direct sunlight to prevent material degradation or color fading.

Troubleshooting

Common Issues and Solutions

- **Bricks not holding together:** Ensure pins are fully inserted and rotated 90 degrees with the pin driver tool to lock them.
- **Missing parts:** Double-check the packaging. If parts are genuinely missing, contact JEKCA customer support.
- **Difficulty inserting pins:** Ensure bricks are correctly aligned. Apply gentle, even pressure. The pin driver tool is designed to assist with this.

Specifications

Feature	Detail
Product Dimensions	7.4 x 4.17 x 6.42 inches
Item Model Number	ST19ML03
Number of Pieces	>350 pieces
Manufacturer	JEKCA Limited
