PACKAGE CONTENTS

Ensure all items are present in the package:

- Starion KS829-B Bluetooth Karaoke Machine (Pedestal Unit)
- 1 x Starion Microphone
- Power Adapter
- User Manual (this document)

SETUP

1. **Assembly:** Carefully remove all components from the packaging. Assemble the pedestal unit according to the diagrams provided in the quick start guide (if applicable).

2. **Power Connection:** Connect the power adapter to the DC IN port on the unit and then plug it into a standard electrical outlet.

3. **Microphone Connection:** Plug the included microphone into one of the microphone jacks (MIC 1 or MIC 2) on the control panel.

4. **Tablet/Phone Placement:** Place your tablet or smartphone securely in the integrated cradle on top of the unit.

OPERATING INSTRUCTIONS

1. Power On/Off

- Press the **POWER** button on the control panel to turn the unit ON or OFF. The LED display will illuminate when the unit is powered on.

2. Bluetooth Connection

1. Ensure the karaoke machine is powered ON.

2. Press the **MODE** button on the control panel until 'Bluetooth' is selected (indicated on the LED display).

3. On your smartphone or tablet, navigate to Bluetooth settings and select 'KS829-B' from the list of available devices.

4. Once connected, you can stream audio wirelessly from your device to the karaoke machine.

3. USB/MP3 Playback & Recording

- **Playback:** Insert a USB drive containing MP3 files into one of the USB ports. The unit will automatically switch to USB mode and begin playback. Use the playback controls (Play/Pause, Next, Previous) on the control panel.

- **Recording:** While playing music or singing into the microphone, press the **RECORD** button to begin recording your performance to the inserted USB drive. Press **RECORD** again to stop.

4. Microphone Usage

- **Microphone Volume:** Adjust the individual microphone volume using the **MIC VOL** knobs on the control panel.

- **Echo Control:** Use the **ECHO** knob to add or reduce the echo effect on your vocals.

- **Master Volume:** The **MASTER VOLUME** knob controls the overall sound output of the machine, including music and vocals.

Figure 2: Detailed view of the control panel, showing USB ports, master volume, and microphone controls.

5. Light Show Controls

- The unit features a disco ball light and an equalizer light show.
- Use the **LIGHT** and **PROGRAM** buttons to cycle through different light colors and effects.
- The lights can react to the music, enhancing the performance atmosphere.

Figure 3: The integrated disco ball light provides dynamic visual effects.

6. Auxiliary Input

- Connect external audio devices (e.g., MP3 players, CD players) to the **AUX IN** port using a compatible audio cable (not included).
- Press the **MODE** button until 'AUX' is selected.

FEATURES OVERVIEW

- **Pedestal Design:** Incorporates an iPad/Tablet cradle (device not included), disco ball light, and light show with equalizer for enhanced entertainment.
- **Bluetooth Connectivity:** Built-in Bluetooth receiver for wireless audio streaming.
- **USB Ports:** Two USB ports for MP3 playback and recording performances.
- **Comprehensive Controls:** LED Display, Master Volume Control, Echo Control, and Microphone Volume Controls for precise audio adjustments.

- **Integrated Speakers:** Four 10 Watt (RMS) / 240W Peak Power speakers (two in the pedestal, two in the top cabinet) deliver robust sound.
- **Dual Microphone Support:** Includes one Starion microphone and features two built-in microphone holders and two microphone jacks for duets.

SPECIFICATIONS

Feature	Detail
Item Weight	14.92 pounds
Product Dimensions	16 x 12 x 40 inches
Model Number	KS829-B
Compatible Devices	Radio, Tablet
Connector Type	USB
Speaker Count	4
Media Format	Karaoke
Power Source	Battery Powered
Special Feature	LED Display
Included Components	Microphone

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the exterior of the unit. Do not use liquid cleaners or abrasive materials.
- **Storage:** Store the karaoke machine in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** If the unit is battery-powered, ensure it is fully charged before extended storage to maintain battery health.

TROUBLESHOOTING

- **No Power:** Ensure the power adapter is securely connected to both the unit and a working electrical outlet. Check if the power button is pressed.
- **No Sound:** Verify that the Master Volume is turned up. Check microphone connections and their individual volume knobs. Ensure the correct input mode (Bluetooth, USB, AUX) is selected.

- **Bluetooth Pairing Issues:** Make sure the unit is in Bluetooth mode and your device's Bluetooth is enabled. Try restarting both the karaoke machine and your device.
- **Distorted Sound:** Reduce the Master Volume or individual microphone volumes. Ensure the audio source is not too loud.
