Fossil JOF00608040

Fossil JOF00608040 Earrings User Manual

Brand: Fossil

Model: JOF00608040

INTRODUCTION

This manual provides instructions for the proper use and care of your Fossil JOF00608040 earrings. Please read carefully to ensure longevity and satisfaction with your product. These earrings are crafted from durable stainless steel, designed for everyday elegance.

SETUP

To wear your Fossil JOF00608040 earrings, gently insert the post through your earlobe piercing. Secure the earring by pushing the post back (butterfly clutch) onto the post until it is snug against the back of your earlobe. Ensure it is not too tight to avoid discomfort.

The image displays a pair of Fossil JOF00608040 heart-shaped stud earrings. Each earring features a polished stainless steel heart design and a secure post-back closure, visible from the side.

OPERATING

These earrings are designed for daily wear. Avoid wearing them during strenuous activities that may cause them to snag or become damaged. To remove, gently pull the post back away from the earlobe and slide the earring out.

MAINTENANCE

To maintain the shine and appearance of your stainless steel earrings, clean them regularly. Use a soft, lint-free cloth to wipe away dirt and oils. For a deeper clean, use a mild soap and warm water solution. Rinse thoroughly and dry completely before storing.

Avoid exposure to harsh chemicals, perfumes, and lotions, which can dull the metal. Store your earrings in the provided Fossil gift box or a soft pouch to prevent scratches and tarnishing.

This close-up image shows a single Fossil JOF00608040 earring, highlighting the intricate heart design and the polished finish of the stainless steel.

TROUBLESHOOTING

- Earring feels loose:** Ensure the post back is pushed firmly onto the earring post. If the back feels consistently loose, inspect it for damage.
- Dull appearance:** Clean the earrings as described in the Maintenance section. Regular cleaning helps restore shine.
- Skin irritation:** While stainless steel is generally hypoallergenic, if irritation occurs, discontinue use and consult a medical professional.

SPECIFICATIONS

Item Width	1 cm
Material	Stainless Steel
Metal Type	Stainless Steel
Back Finding	Post with hole
Earring Design	Stud
Item Type Name	Orecchini
Country of Origin	China
