2. Setup and Assembly

Assembling your Boncoo LED Floor Lamp is a straightforward process that requires no special tools. Please follow the steps below for proper installation.

2.1 Components Overview

Image 2.1: Exploded view showing the LED bulb, adjustable lamp head, heavy weighted base, and easy installation pole sections.

2.2 Assembly Steps

1. **Unpack Components:** Carefully remove all parts from the packaging. Ensure all components listed in the product manual are present.
2. **Assemble the Pole:** Connect the pole sections one by one, starting from the base. Gently pull the electrical cord through each section as you assemble. Ensure each section is securely tightened.
3. **Attach the Lamp Head:** Screw the curved lamp head section onto the top of the assembled pole.
4. **Install the Lampshade:** Unscrew the fixing ring from the lamp holder. Place the lampshade onto the lamp holder, then screw the fixing ring back to secure the lampshade.
5. **Insert the Bulb:** Screw the included E26 9W LED bulb into the lamp holder.
6. **Connect to Power:** Plug the power cord into a standard electrical outlet.

3. Operating Instructions

The Boncoo LED Floor Lamp offers intuitive controls for a customized lighting experience.

3.1 Stepless Dimming

The lamp features a convenient foot dimmer switch on the power cord, allowing you to adjust the brightness from 0% to 100% seamlessly. Press the switch to turn the lamp on/off, and slide it to adjust the light intensity.

3.2 Adjustable Lamp Head

The lamp head is designed for flexibility, allowing you to rotate it 360° horizontally and 180° vertically. This enables you to direct light precisely where needed, whether for reading, working, or ambient illumination.

4. Maintenance

To ensure the longevity and optimal performance of your Boncoo LED Floor Lamp, follow these simple maintenance guidelines:

- **Cleaning:** Dust the lamp regularly with a soft, dry cloth. For stubborn marks, lightly dampen the cloth with water and wipe gently. Avoid abrasive cleaners or solvents.

- **Bulb Replacement:** The lamp uses an E26 Medium base LED bulb (9W included). When replacing, ensure the lamp is unplugged and the bulb has cooled. Use only compatible LED bulbs.
- **Stability Check:** Periodically check that all pole sections and the base are securely tightened to maintain stability.

5. Troubleshooting

If you encounter any issues with your Boncoo LED Floor Lamp, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Lamp does not turn on.	No power, loose bulb, faulty switch.	Check if the power cord is securely plugged into a working outlet. Ensure the bulb is screwed in tightly. Test the foot dimmer switch.
Dimming function is not working correctly.	Incompatible bulb, faulty dimmer switch.	Ensure you are using a dimmable LED bulb compatible with the lamp's dimmer switch. Some LED bulbs may not be fully compatible. If the issue persists, contact support.

Problem	Possible Cause	Solution
Lamp is wobbly.	Loose pole sections or base.	Tighten all pole connections and ensure the base is firmly attached.

6. Specifications

Feature	Detail
Model Number	13046
Product Dimensions	11"D x 11"W x 66"H
Item Weight	11 Pounds
Material	Linen, Metal
Finish Type	Brushed
Color	Gold
Shade Material	Linen
Shade Color	Beige
