

## Qian Handheld Mini Ironing Board

# Qian Handheld Mini Ironing Board User Manual

Model: Handheld Mini Ironing Board

## 1. INTRODUCTION

---

Thank you for choosing the Qian Handheld Mini Ironing Board. This compact and portable ironing accessory is designed to make ironing quick and convenient, especially for collars, sleeves, and small garments, or while traveling. Its unique handheld design offers flexibility and ease of use, providing a stable surface for steaming and ironing without the need for a large ironing board.

**Figure 1.1:** The Qian Handheld Mini Ironing Board being used with a garment steamer to smooth a shirt sleeve. This image demonstrates the product's primary function and compact size.

## 2. SAFETY INSTRUCTIONS

---

Please read all safety instructions carefully before using the Qian Handheld Mini Ironing Board to ensure safe and effective operation. Keep this manual for future reference.

- Always use the ironing board with caution when handling hot irons or steamers.
- Ensure your hand is fully inserted into the glove to prevent accidental contact with hot surfaces.
- Do not leave hot irons or steamers unattended on the ironing board.
- Keep out of reach of children and pets.
- Do not immerse the ironing board in water. Clean only as instructed in the Maintenance section.
- Inspect the ironing board for any damage before each use. Do not use if damaged.
- The product is designed for ironing and steaming garments. Do not use for any other purpose.

### 3. SETUP

---

The Qian Handheld Mini Ironing Board requires minimal setup. It is ready for use right out of the packaging.

1. Unpack the ironing board from its packaging.
2. Insert your hand into the glove-like opening. The anti-slip finger cot inside helps secure your hand.
3. Ensure your hand is comfortably positioned, allowing you to firmly hold and maneuver the board.

**Figure 3.1:** Illustrates the handheld design, allowing for flexible and precise operation. The user's hand is visible inside the mesh opening.

## Large area design

### Suitable for different sizes of hands

**Figure 3.2:** Shows the generous surface area of the ironing board, designed to accommodate various hand sizes comfortably.

## 4. OPERATING INSTRUCTIONS

---

The Qian Handheld Mini Ironing Board is ideal for quick touch-ups and detailed ironing tasks.

1. **Prepare your garment:** Hang the garment you wish to iron or steam on a hanger.
2. **Position the board:** Insert your hand into the ironing board. Place the board behind the section of the garment you want to iron (e.g., collar, cuff, sleeve, placket).
3. **Ironing/Steaming:** Using your iron or garment steamer, gently press or steam the fabric against the surface of the handheld ironing board. The board provides a firm, heat-resistant backing.
4. **Move as needed:** Reposition the board as you move to different sections of the garment.

...

**Easy to use**  
The collar and sleeves  
can be ironed

**Figure 4.1:** Demonstrates the ease of use for specific areas like collars and sleeves, providing a stable surface for precise ironing.

**Waterproof layer fabric**  
**Not afraid of steam**  
**High temperature**  
**resistance**  
**Safe to use**

**Figure 4.2:** Highlights the waterproof layer fabric, indicating its resistance to steam and high temperatures, ensuring safety and durability.

## 5. MAINTENANCE AND CARE

---

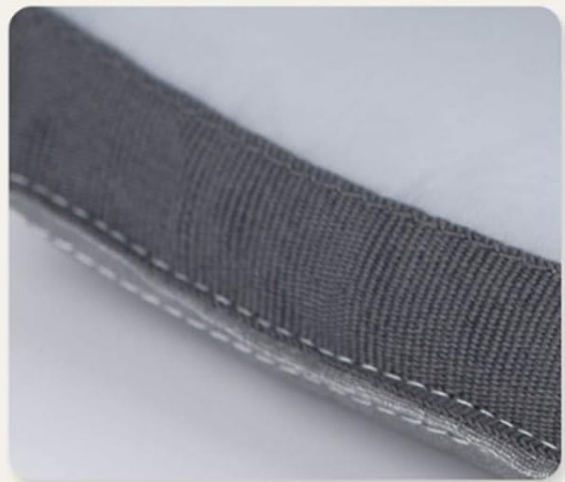

To ensure the longevity of your Qian Handheld Mini Ironing Board, follow these care instructions:

- **Cleaning:** Wipe the surface with a damp cloth. Do not use harsh chemicals or abrasive cleaners. Do not machine wash or tumble dry.
- **Drying:** Allow the ironing board to air dry completely before storing, especially if it has been exposed to steam or moisture.
- **Storage:** Store in a cool, dry place. The integrated suspension loop allows for convenient hanging storage.

**Anti-slip finger cot**  
**Firm to use**

**Visual mesh**  
**Breathable**

**Suspension design**  
**Convenient storage**

**Thickened sponge**  
**Good insulation**

**Figure 5.1:** A composite image showcasing key features: the anti-slip finger cot for firm grip, breathable mesh for comfort, a suspension loop for easy storage, and the thickened sponge for good insulation.

## 6. TROUBLESHOOTING

If you encounter any issues with your Qian Handheld Mini Ironing Board, please refer to the following common solutions:

Problem	Possible Cause	Solution
Board feels unstable on hand.	Hand not fully inserted or positioned incorrectly.	Ensure your hand is fully inserted into the glove and the anti-slip finger cot is properly engaged.

Problem	Possible Cause	Solution
Fabric not smoothing effectively.	Iron/steamer not hot enough, or insufficient pressure.	Ensure your iron or steamer is at the correct temperature for the fabric. Apply gentle, consistent pressure.
Board feels too hot.	Prolonged direct contact with very hot iron/steamer.	While designed for high temperatures, avoid prolonged direct contact. Allow brief cooling periods if necessary. Ensure proper hand positioning.

## 7. SPECIFICATIONS

Feature	Detail
Brand	Qian
