Boncoo ZJ-Touch-G

Boncoo Bedside Touch Lamps Instruction Manual

Model: ZJ-Touch-G

1. Introduction

Thank you for purchasing the Boncoo Bedside Touch Lamps. This manual provides essential information for the safe and efficient operation of your new lamps. Please read it thoroughly before use and retain it for future reference.

Key Features:

- **Sensitive Touch Dimmable Design:** Control light with a simple tap on the metal base, offering 3 adjustable brightness levels.
- **Energy-saving LED Bulbs Included:** Comes with two 9W LED A19 bulbs (850 lumens), equivalent to 85W incandescent bulbs, providing flicker-free and buzz-free illumination.
- **Optimal Size & Easy Installation:** Compact design (4.49" base diameter, 15.98" height) for versatile placement and quick, tool-free assembly.
- **Comfortable & Versatile Illumination:** TC cloth lampshade diffuses light evenly and softly, creating a cozy ambiance suitable for various rooms.
- **Elegant Design:** Features a vase-inspired brass finish base and beige cylinder lampshades, enhancing any room's decor.

2. Important Safety Instructions

To reduce the risk of fire, electric shock, or injury to persons, please follow these guidelines:

- Read all instructions carefully before assembly and operation.
- Do not connect electricity until the lamp is fully assembled.
- Always unplug the lamp from the electrical outlet before cleaning or changing light bulbs.
- Use only the type and wattage of bulb specified in the specifications section.
- Do not use with a damaged cord or plug. If the cord or plug is damaged, do not attempt to repair it. Contact qualified service personnel.
- This product is for indoor use only. Do not expose to water or high humidity.

- Keep away from flammable materials.
- Ensure the lamp is placed on a stable, flat surface to prevent tipping.

3. Package Contents

Verify that all components are present and undamaged:

- 2 x Lamp Bases (Brass Metal)
- 2 x Lampshades (Beige TC Cloth)
- 2 x A19 Dimmable LED Bulbs (3000K)
- 2 x Fixing Rings

4. Setup and Assembly

Assembly is quick and requires no tools. Please follow these steps:

1. **Unscrew the Fixing Ring:** Locate the fixing ring on the lamp holder and unscrew it.

Image: Hand unscrewing the fixing ring from the lamp holder.

2. **Fix the Lampshade:** Place the lampshade onto the lamp holder, ensuring it sits securely.

5. **Connect to Power:** Plug the lamp into a standard 120V electrical outlet.

5. Operation

Your Boncoo Bedside Touch Lamp features a convenient touch control system with three brightness levels.

Adjusting Brightness:

- To turn the lamp **ON** or change brightness, simply tap any metal part of the lamp base.
- Each tap will cycle through the brightness levels:**Low → Medium → High → OFF**.
- The lamp will remember the last brightness setting when turned off and on again.

6. Maintenance

Cleaning:

- Always unplug the lamp before cleaning.
- Wipe the metal base with a soft, dry cloth. Do not use abrasive cleaners or polishes as they may damage the finish.
- The lampshade can be gently dusted with a soft brush or vacuum cleaner attachment.

Bulb Replacement:

- Ensure the lamp is unplugged and the bulb has cooled down before attempting to replace it.
- Unscrew the old bulb from the E26 lamp holder.
- Screw in a new A19 LED bulb (maximum 60W equivalent incandescent, 9W LED recommended).
- Using non-dimmable bulbs may cause flickering or damage to the lamp's touch sensor.

7. Troubleshooting

Problem	Possible Cause	Solution
Lamp does not turn on.	Lamp is unplugged. Bulb is loose or burnt out. Power outlet is not working.	Ensure the lamp is securely plugged into a working outlet. Tighten or replace the bulb. Test the outlet with another device.
Lamp flickers or buzzes.	Incorrect bulb type (non-dimmable). Loose bulb connection.	Ensure you are using the provided dimmable LED bulb or a compatible dimmable A19 LED bulb. Tighten the bulb.
Touch control is unresponsive.	Electrical interference. Damaged touch sensor.	Try plugging the lamp into a different outlet. Contact customer support if the issue persists.

8. Product Specifications

Brand:	Boncoo
