Package Contents:

- Metal Frame Components
- Wooden Shelf Panels
- Hanging Rods (3 units)
- Assembly Hardware (screws, bolts, Allen wrench)
- Instruction Manual

Assembly Steps:

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a clean, soft surface to prevent scratches. Refer to the parts list in your included manual to identify each piece.
2. **Assemble Base Frame:** Begin by connecting the base metal frame components. Ensure all connections are secure but do not fully tighten screws until the entire frame is assembled.
3. **Attach Vertical Supports:** Connect the vertical metal supports to the base frame. Pay attention to the orientation of each piece as indicated in the diagrams.
4. **Install Shelves:** Place the wooden shelf panels onto the designated metal supports. Secure them using the provided hardware. There are five shelves in total, including the top and lower tiers.
5. **Insert Hanging Rods:** Install the three metal hanging rods into their respective positions within the frame. These rods provide ample space for hanging garments.
