## DEWENWILS HLFL02E

# DEWENWILS Floor Lamp User Manual

Model: HLFL02E

## INTRODUCTION

Thank you for choosing the DEWENWILS Modern Dimmable Corner Floor Lamp. This sleek and energy-efficient LED floor lamp is designed to provide versatile lighting for various indoor settings, including living rooms, bedrooms, offices, and reading corners. Its minimalist design and adjustable brightness make it a perfect addition to any modern interior.

## SAFETY INFORMATION

- Ensure the lamp is placed on a stable, flat surface to prevent tipping.
- Do not expose the lamp to water or excessive moisture. This product is designed for indoor use only.
- Do not attempt to disassemble or modify the lamp. There are no user-serviceable parts inside.
- Keep the lamp away from heat sources and direct sunlight.
- Always unplug the lamp from the power outlet before cleaning or moving it.
- The integrated LED light source is not replaceable. Do not attempt to replace the bulb.

## PACKAGE CONTENTS

- DEWENWILS LED Floor Lamp (Integrated Light Pole and Base)
- Power Adapter with Foot Switch
- User Manual

## SETUP AND ASSEMBLY

Assembly of your DEWENWILS floor lamp is quick and straightforward, requiring no special tools.

1. Carefully unpack all components from the packaging.

2. Locate the integrated light pole and the round metal base.
3. Align the threaded end of the light pole with the opening in the center of the base.
4. Gently screw the light pole into the base clockwise until it is securely tightened. Ensure it is firm and stable.
5. Place the assembled lamp in your desired location.
6. Plug the power adapter into a standard 120V AC power outlet.

## Easy to Assemble

Seconds is enough for assembly by screwing the integrated light pole to the base, no tools required

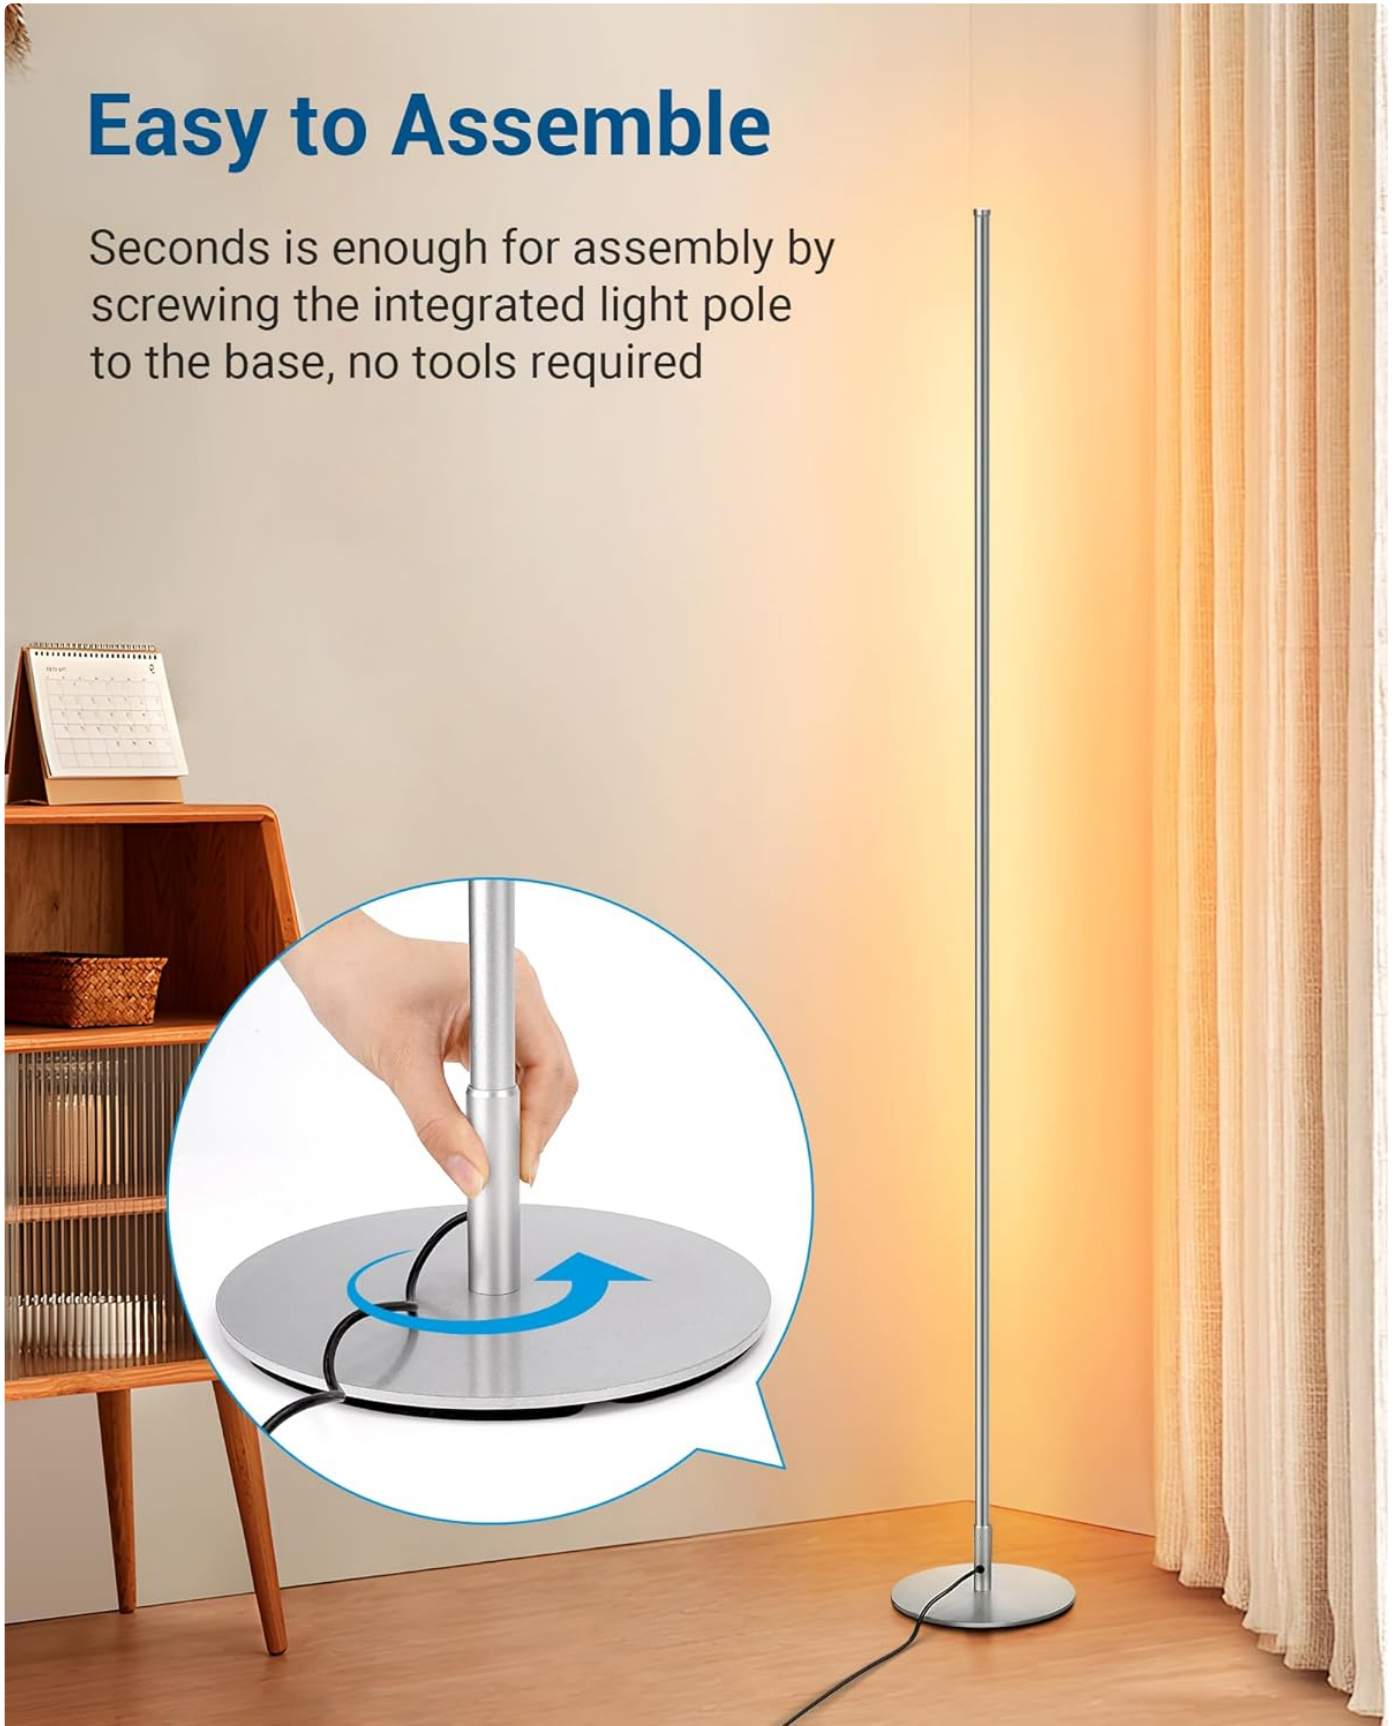

Figure 1: Easy Assembly - Simply screw the light pole into the base.

## OPERATING INSTRUCTIONS

---

Your DEWENWILS floor lamp features a convenient foot switch for easy operation and adjustable brightness.

### Foot Switch Operation:

- **Short Press:** Press the foot switch briefly to turn the lamp ON or OFF.
- **Long Press:** Press and hold the foot switch to adjust the brightness from 10% to 100%. Release your foot when the desired brightness level is reached.
- **Memory Function:** The lamp will remember the last brightness setting used when it was turned off and will resume that setting when turned back on.

# Foot Step Switch

Free your waist and hands,  
no need to bend down to turn on/off the light

- Short Press: ON/OFF
- Long Press: 10%-100% adjust the brightness

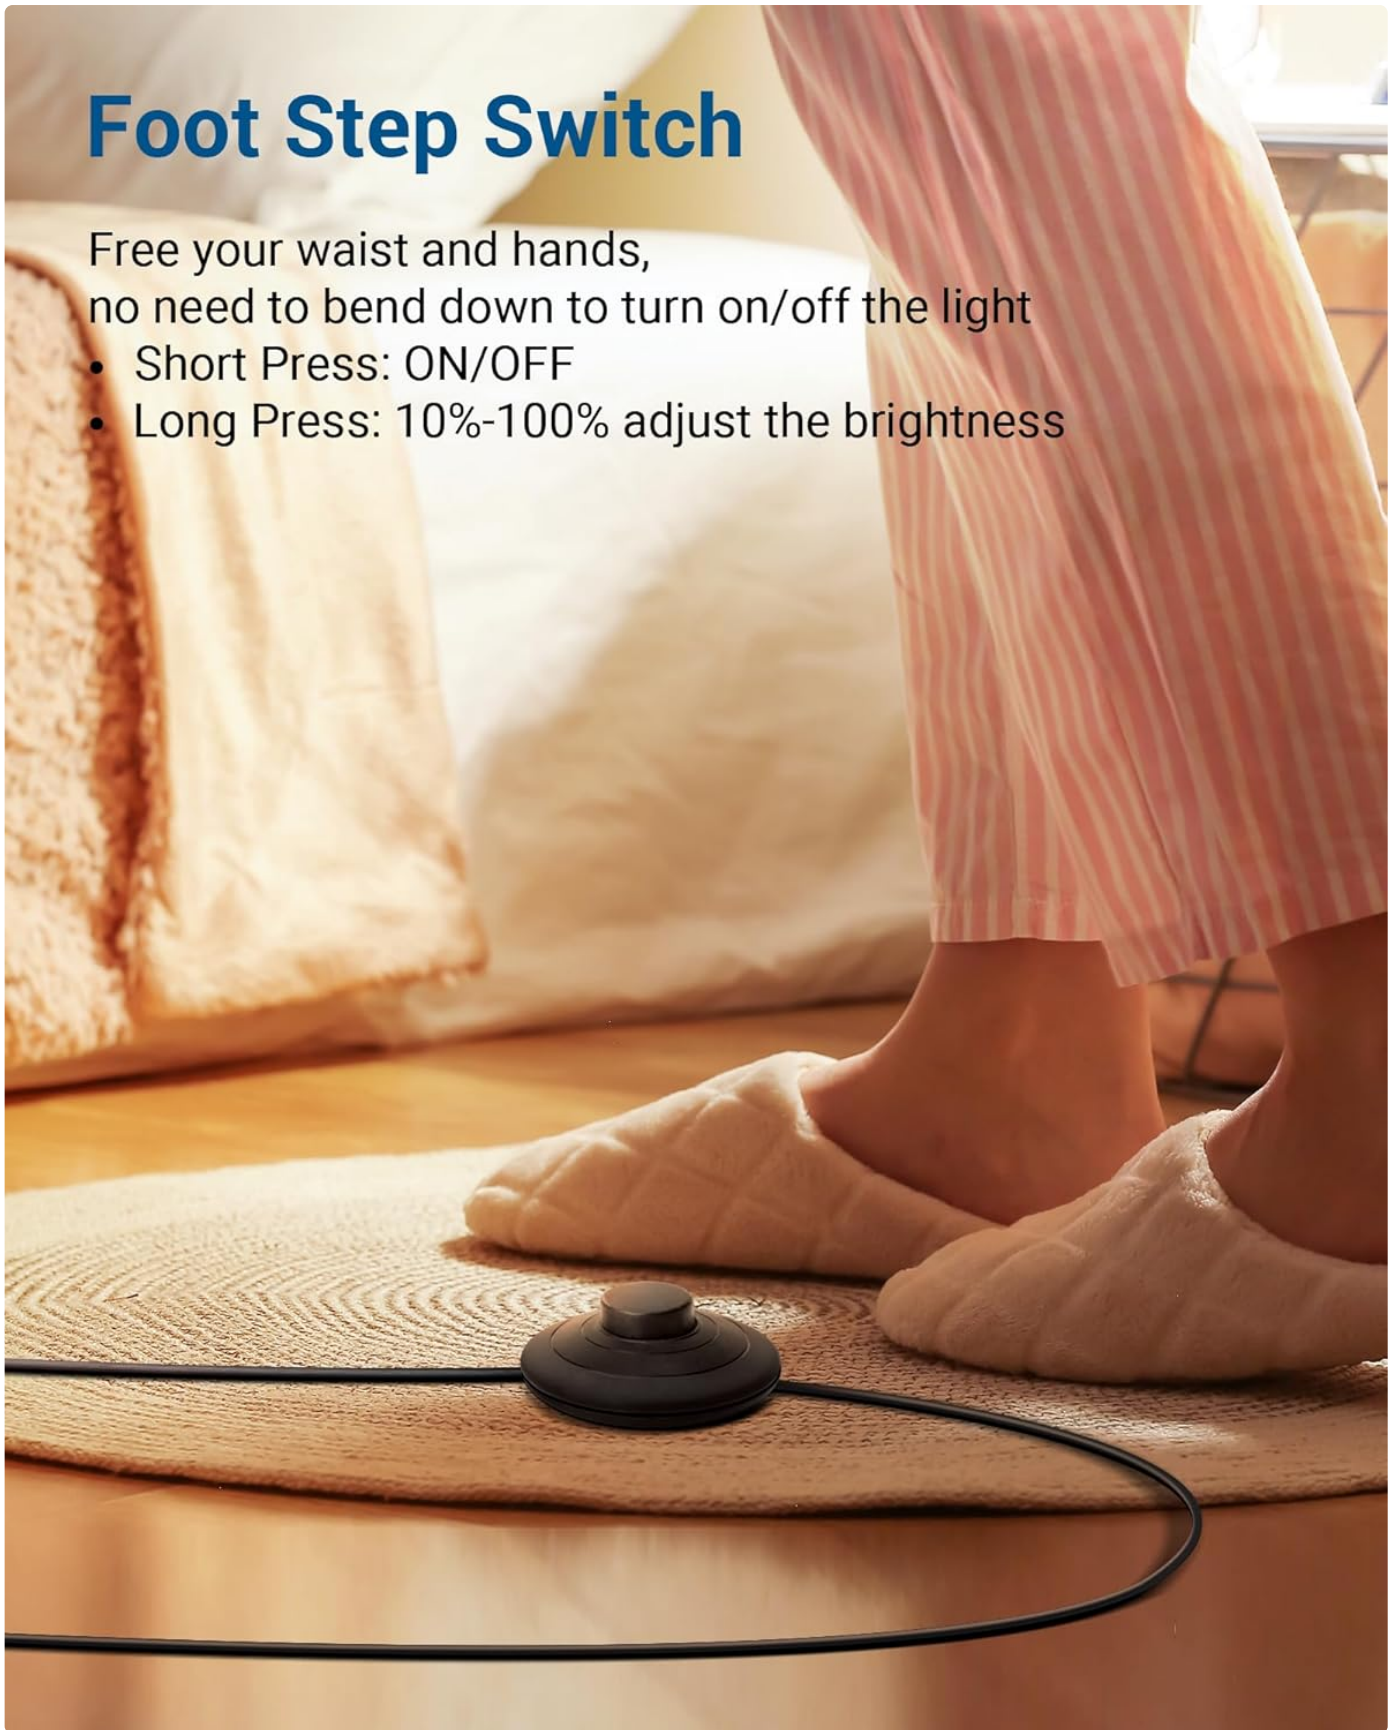

Figure 2: Foot Switch for convenient ON/OFF and dimming control.

# Dimmable & Memory Function

Adjustable brightness 10%-100%

Memorize the brightness you set before turning it off

Figure 3: Dimmable and Memory Function allows for personalized lighting.

## MAINTENANCE

To ensure the longevity and optimal performance of your DEWENWILS floor lamp, follow these simple maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to wipe down the lamp. Do not use abrasive cleaners, waxes, or solvents as they

may damage the finish.

- **Bulb Replacement:** This lamp features an integrated LED light source designed for a long lifespan (over 30,000 hours). The LED is not user-replaceable.
- **Storage:** If storing the lamp for an extended period, unplug it and store it in a cool, dry place.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Lamp does not turn on.	Not plugged in; power outlet not working; loose connection.	Ensure the power adapter is securely plugged into a working outlet. Check if the outlet works with another device. Verify all lamp connections are tight.
Brightness adjustment not working.	Incorrect operation of foot switch.	Ensure you are pressing and holding the foot switch for dimming, not just short pressing.
Lamp flickers or dims unexpectedly.	Unstable power supply; internal issue.	Try plugging the lamp into a different power outlet. If the issue persists, contact customer support.
