Lumisky BEVERLY BLACK

Lumisky Beverly Black Wireless LED Table Lamp H34cm User Manual

Model: BEVERLY BLACK

1. INTRODUCTION

Thank you for choosing the Lumisky Beverly Black Wireless LED Table Lamp. This manual provides essential information for the safe and efficient use of your new lamp. The Beverly Black is a versatile, wireless LED table lamp featuring warm white, dimmable light. Its modern design, portability, and up to 5 hours of battery life make it suitable for both indoor and outdoor environments.

The Lumisky Beverly Black lamp provides warm white LED light, perfect for creating ambiance in various settings.

2. SAFETY INSTRUCTIONS

- Read all instructions before use and retain for future reference.
- This lamp is rated IP44, meaning it is protected against solid objects larger than 1mm and against splashing water from any direction. It is suitable for outdoor use but should not be submerged in water.
- Do not attempt to open or modify the lamp. Internal components are not user-serviceable.
- Use only the provided Micro-USB cable for charging. Ensure the charging voltage is 5V DC.
- Keep the lamp away from extreme temperatures, direct sunlight, and open flames.
- Clean the lamp with a soft, damp cloth. Do not use abrasive cleaners or solvents.

3. PACKAGE CONTENTS

Please check that all items are present in the package:

- 1 x Lumisky Beverly Black Wireless LED Table Lamp (H34cm)
- 1 x Micro-USB Charging Cable

4. SETUP

4.1 Initial Charge

1. Unpack the lamp and all accessories.
2. Connect the Micro-USB charging cable to the charging port on the lamp.
3. Connect the other end of the USB cable to a compatible 5V DC USB power adapter (not included) or a powered USB port.
4. Allow the lamp to charge for approximately 4 hours for a full charge before first use. The charging indicator (if present) will typically change color or turn off when fully charged.

4.2 Placement

The Beverly Black lamp is designed for versatile use:

- **Indoor Use:** Ideal as a table lamp, bedside lamp, or decorative accent in living rooms, bedrooms, or children's rooms.
- **Outdoor Use:** Suitable for terraces, patios, or garden tables due to its IP44 splash-proof rating. Ensure it is not exposed to heavy rain or submerged.

This image shows the lamp's modern design complementing an indoor dining area, highlighting its versatility.

The lamp is suitable for outdoor use, as demonstrated by its placement on a patio table, offering portable illumination.

5. OPERATING INSTRUCTIONS

5.1 Power On/Off

The lamp is equipped with a touch or push-button switch. To turn the lamp ON or OFF, simply press or touch the designated area on the lamp base.

5.2 Brightness Adjustment

The Beverly Black lamp features a dimmable warm white LED. It can be adjusted to 4 different brightness levels. Repeatedly press or touch the power button to cycle through the brightness settings:

1. Press 1: Low brightness
2. Press 2: Medium brightness
3. Press 3: High brightness

- 4. Press 4: Maximum brightness
- 5. Press 5: Turn OFF

This allows you to adapt the light intensity to your preference and environment.

6. MAINTENANCE

- **Cleaning:** Wipe the lamp with a soft, slightly damp cloth. Do not use harsh chemicals, abrasive cleaners, or spray water directly onto the lamp.
- **Storage:** If storing the lamp for an extended period, ensure it is fully charged and store it in a cool, dry place. Recharge it periodically (e.g., every 3-6 months) to maintain battery health.
- **Battery:** The integrated battery is not replaceable by the user. Do not attempt to remove or replace it.

7. TROUBLESHOOTING

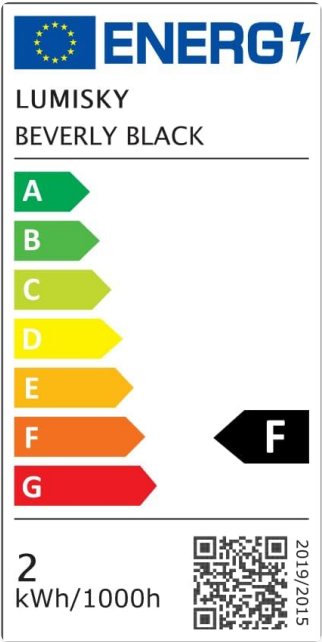

Problem	Possible Cause	Solution
Lamp does not turn on	Battery is depleted	Charge the lamp for 4 hours using the Micro-USB cable.
Lamp does not charge	Charging cable or adapter faulty; improper connection	Ensure the Micro-USB cable is securely connected to both the lamp and a working 5V DC USB power source. Try a different cable or adapter.
Short battery life	Not fully charged; high brightness setting; aging battery	Ensure a full 4-hour charge. Use lower brightness settings for longer battery life. Battery capacity may decrease over time.
Brightness adjustment not working	Incorrect operation; sensor issue	Ensure you are pressing/touching the correct area. Try turning the lamp off and on again.

8. SPECIFICATIONS
