Orbital 3-Light Polished Chrome/Black Pendant Instruction Manual

Brand: Bel Air Lighting | **Model:** 3518086

PRODUCT OVERVIEW

This Bel Air Lighting Orbital 3-Light Pendant features a polished chrome and black finish. Its contemporary design showcases a double orbital intricate cage, making it a distinctive focal point in any room. The exposed bulbs are designed for maximum light disbursement, providing ample illumination.

IMPORTANT SAFETY INFORMATION

WARNING: To avoid the risk of electric shock, always disconnect power at the main circuit breaker or fuse box before beginning installation or performing any maintenance. This product must be installed in accordance with the applicable installation code by a person familiar with the construction and operation of the product and the hazards involved.

- Read all instructions carefully before installation.
- Ensure all electrical connections are made in accordance with local codes, ordinances, and the National Electric Code (NEC).
- If you are unsure about the installation process, consult a qualified electrician.
- Do not exceed the recommended wattage for bulbs.
- Keep packaging materials away from children.

WHAT'S IN THE BOX

Please verify that all components are present before beginning installation.

- Orbital 3-Light Pendant Fixture
- Mounting Hardware
- Instruction Manual (this document)

Note: Bulb(s) are sold separately and are not included with the fixture.

SETUP AND INSTALLATION

This pendant light is designed for easy installation and features an adjustable hanging length to suit various ceiling heights and aesthetic preferences.

1. **Prepare for Installation:** Turn off power at the main circuit breaker. Clear the work area and gather necessary tools (screwdriver, wire strippers, electrical tape, ladder).
2. **Unpack and Inspect:** Carefully remove all components from the packaging. Inspect the fixture for any damage.
3. **Assemble Fixture (if necessary):** Follow any specific assembly instructions provided with the mounting hardware. The double orbital intricate cage design may require minor assembly.
4. **Attach Mounting Hardware:** Secure the mounting bracket to the junction box in the ceiling using the provided screws. Ensure it is firmly attached.
5. **Adjust Hanging Length:** Determine the desired hanging length for the pendant. Adjust the chain or rod accordingly.
6. **Make Electrical Connections:** Connect the fixture's wires to the corresponding house wires (black to black, white to white, ground to ground) using wire nuts. Secure connections with electrical tape.
7. **Mount Fixture:** Carefully lift the fixture and secure it to the mounting bracket. Ensure all wires are tucked safely into the junction box.
8. **Install Bulbs:** Insert three (3) compatible bulbs (sold separately) into the sockets. Do not exceed the maximum wattage indicated on the fixture.
9. **Restore Power:** Turn power back on at the main circuit breaker. Test the light fixture.

OPERATING INSTRUCTIONS

Once properly installed and powered, the Orbital 3-Light Pendant operates like a standard lighting fixture.

- **Power On/Off:** Control the light using a standard wall switch connected to the fixture's circuit.
- **Bulb Type:** This fixture requires three (3) bulbs. Refer to the fixture's socket for specific bulb base type and maximum wattage.
- **App Control:** While the fixture itself does not have built-in app control, it can be integrated into smart home systems via compatible smart switches or smart bulbs (sold separately) that offer app control functionality.

MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your pendant light.

- **Cleaning:** To clean the fixture, ensure power is off. Wipe with a soft, dry cloth. Do not use abrasive cleaners, solvents, or polishes as they may damage the finish.
- **Bulb Replacement:** Always turn off power at the circuit breaker before replacing bulbs. Allow bulbs to cool completely before handling. Replace with bulbs of the same type and wattage.
- **Inspection:** Periodically check all connections and mounting hardware to ensure they remain secure.

TROUBLESHOOTING

If you encounter issues with your pendant light, refer to the following common problems and solutions.

Problem	Possible Cause	Solution
Light does not turn on.	No power to the fixture.	Check circuit breaker.
	Loose wire connections.	Ensure all wire connections are secure (power off first).
	Faulty bulb(s).	Replace bulb(s).
	Faulty wall switch.	Test or replace wall switch.
Light flickers.	Loose bulb.	Tighten bulb.
	Incorrect bulb type.	Ensure bulb is compatible.
	Loose wire connection.	Check wire connections (power off first).
