

Tom Ford FLETCHER FT 0832

Tom Ford FLETCHER FT 0832 Sunglasses User Manual

Model: FT 0832

INTRODUCTION

Welcome to your new Tom Ford FLETCHER FT 0832 sunglasses. This manual provides essential information for the proper use, care, and maintenance of your eyewear, ensuring longevity and optimal performance.

This image displays the Tom Ford FLETCHER FT 0832 sunglasses. The frame features a stylish gradient from Havana brown to grey, complementing the dark grey lenses. The iconic 'T' logo is visible on the temples, signifying the brand's design.

SETUP

Unboxing

Carefully remove the sunglasses from their packaging. Inspect for any visible damage or manufacturing defects before first use.

Initial Fit Adjustment

The sunglasses are designed for a comfortable fit. Minor adjustments to the temples (arms) or nose pads can be made by a qualified optician if needed to ensure optimal comfort and stability. Avoid attempting to bend the frame yourself to prevent damage.

OPERATING INSTRUCTIONS

Wearing the Sunglasses

Place the sunglasses on your face, ensuring the nose pads rest comfortably on your nose bridge and the temples extend securely behind your ears.

Lens Protection

The lenses provide 100% UV protection. Avoid touching the lens surface directly to prevent smudges and scratches. Always use the provided cleaning cloth.

Proper Handling

Always hold the sunglasses by the frame, not the lenses, when putting them on or taking them off. This minimizes stress on the hinges and prevents fingerprints on the lenses.

MAINTENANCE AND CARE

Cleaning the Lenses

Use a soft, clean microfiber cloth specifically designed for eyewear to clean the lenses. For stubborn smudges, lightly dampen the cloth with a specialized lens cleaning spray or lukewarm water. **Do not** use paper towels, clothing, or harsh chemicals (like ammonia-based cleaners) as these can scratch the lenses or damage coatings.

Cleaning the Frame

Wipe the frame with a soft, damp cloth. Dry thoroughly with a clean, dry cloth.

Storage

When not in use, always store your sunglasses in the provided protective case to prevent scratches and damage. Avoid leaving them in direct sunlight or extreme temperatures (e.g., in a hot car) as this can warp the frame or damage the lenses.

TROUBLESHOOTING

Loose Screws

If screws on the hinges become loose, gently tighten them with a small eyewear screwdriver. Do not overtighten. If you do not have the correct tool or are unsure, consult an optician.

Frame Misalignment

If the frame appears bent or misaligned, do not attempt to straighten it yourself. Take the sunglasses to a professional optician for adjustment.

Scratched Lenses

Minor scratches may be unavoidable over time. Deep scratches cannot be repaired and may require lens replacement. Always use the protective case and proper cleaning methods to minimize scratches.

PRODUCT SPECIFICATIONS

Feature	Detail
Model Series	Fletcher
Model Number	FT0832
Frame Material	Acetate (Pantographed Plastic)
Frame Color	Gradient Havana Into Grey / Colorful Tortoise
Lens Material	Plastic
