3. USAGE AND OPERATION

These sunglasses are designed for general purpose use to protect your eyes from sunlight. They are not intended for direct observation of the sun, for use as protection against artificial light sources (e.g., solaria), or for use as eye protection against mechanical impact hazards.

3.1 Wearing Instructions:

1. Gently unfold the temples of the sunglasses.
2. Place the sunglasses on your face, ensuring the nose pads rest comfortably on your nose bridge.
3. Adjust the temples behind your ears for a secure and comfortable fit.
4. Ensure the lenses are positioned correctly to cover your eyes fully.

3.2 Important Considerations:

- Do not wear sunglasses for night driving or in conditions of poor visibility.
- Avoid placing sunglasses face down on hard surfaces to prevent lens scratches.
- Do not expose sunglasses to extreme temperatures (e.g., leaving them in a hot car) as this may damage the frame or lenses.

4. CARE AND MAINTENANCE

Proper care will extend the life and maintain the appearance of your Tom Ford sunglasses.

4.1 Cleaning Lenses:

- Use the provided cleaning cloth to gently wipe the lenses.
- For stubborn smudges, lightly dampen the cleaning cloth with a mild soap solution or specialized lens cleaner.
- Avoid using abrasive cleaners, paper towels, or clothing, as these can scratch the lenses.

4.2 Cleaning Frames:

- Wipe the frame with a soft, damp cloth.
- Do not use harsh chemicals or solvents on the frame.

4.3 Storage:

- Always store your sunglasses in their protective case when not in use.
- Store in a cool, dry place away from direct sunlight and extreme temperatures.

5. TROUBLESHOOTING
