KEMEI USB Charger Cable for Razors and Hair Clippers Instruction Manual

INTRODUCTION

This instruction manual provides essential information for the safe and effective use of your KEMEI USB Charger Cable. This cable is designed to recharge various KEMEI electric razors and hair clippers. Please read this manual thoroughly before first use and retain it for future reference.

PRODUCT OVERVIEW

The KEMEI USB Charger Cable features a standard USB Type-A connector on one end and a double round mouth connector on the other, specifically designed for compatible KEMEI devices. It operates at a working voltage of 5V 1A.

SETUP AND CONNECTION

- 1. Identify Device Port:** Locate the charging port on your KEMEI electric razor or hair clipper. Ensure it matches the double round mouth connector of the charging cable.
- 2. Connect to Power Source:** Insert the USB Type-A end of the cable into a compatible USB power source. This can be a USB wall adapter (recommended 5V 1A output), a computer USB port, or a power bank.
- 3. Connect to Device:** Carefully insert the double round mouth connector into the charging port of your KEMEI device. Ensure a secure connection.
- 4. Verify Charging:** Once connected, your device should indicate that it is charging (e.g., an indicator light may illuminate).

OPERATING INSTRUCTIONS

To charge your KEMEI device, simply follow the setup steps. The cable is designed for direct charging. Charging times may vary depending on the device's battery capacity and its current charge level.

MAINTENANCE AND CARE

- **Storage:** Store the cable in a cool, dry place when not in use. Avoid extreme temperatures.
- **Handling:** Do not bend or crimp the cable sharply, as this can damage the internal wires. Always grasp the plug, not the cable, when disconnecting.
- **Cleaning:** If necessary, gently wipe the cable with a dry, soft cloth. Do not use liquid cleaners or immerse the cable in water.
- **Inspection:** Periodically inspect the cable for any signs of damage, such as frayed wires or bent connectors. Discontinue use if damage is observed.
