Coby CHBT590

Coby Wireless & Wired Headphones Instruction Manual

Model: CHBT590

Brand: Coby

1. INTRODUCTION AND OVERVIEW

Thank you for choosing the Coby Wireless & Wired Headphones. These versatile over-ear headphones offer both seamless Bluetooth connectivity and a reliable 3.5mm AUX wired option, ensuring uninterrupted audio for various devices. Designed for comfort and portability, they feature HiFi stereo sound with deep bass, a built-in microphone for hands-free calling, and a foldable structure for easy storage. Enjoy up to 5 hours of continuous playtime, making them ideal for travel, work, and leisure.

2. What's in the Box

Please check the package contents to ensure all items are present:

- Coby Wireless Bluetooth Headphones
- 3.5mm Aux Cable
- User Manual (this document)

3. Product Features

The Coby Wireless & Wired Headphones are engineered with features to enhance your audio experience:

- **Versatile Connectivity:** Supports Bluetooth 5.3 for wireless freedom and includes a 3.5mm AUX input for wired connections.
- **High-Fidelity Audio:** Experience rich HiFi stereo sound with powerful deep bass, delivered through 40mm

dynamic drivers.

- **Hands-Free Communication:** A built-in microphone allows for clear hands-free calls and voice commands.
- **Intuitive Controls:** Easy-to-use button controls on the earcup for power, play/pause, volume adjustment, track navigation, and call management.
- **Portable & Comfortable Design:** Lightweight (4 ounces) and foldable, with an adjustable headband and comfortable over-ear earcups, making them ideal for travel and extended wear.
- **Extended Playtime:** Enjoy up to 5 hours of continuous audio playback on a single charge, thanks to the rechargeable battery.

4. SETUP

4.1 Bluetooth Pairing

1. **Charge the Headphones:** Before first use, fully charge the headphones using a compatible USB charger.
2. **Power On:** Press and hold the Power button on the earcup until the LED indicator flashes blue and red, indicating pairing mode.
3. **Activate Bluetooth on Your Device:** Go to the Bluetooth settings on your smartphone, tablet, or computer.

4. **Select 'CHBT590':** In the list of available devices, select 'CHBT590' to connect.

5. **Connection Confirmation:** The LED indicator on the headphones will turn solid blue, and a voice prompt will confirm the successful connection.

4.2 Wired Connection

To use the headphones in wired mode:

1. Insert one end of the included 3.5mm AUX cable into the AUX port on the headphones.

2. Insert the other end of the 3.5mm AUX cable into the audio output jack of your device (e.g., PC, phone, tablet).

3. The headphones will automatically switch to wired mode.

5. OPERATING INSTRUCTIONS

Familiarize yourself with the control buttons located on the earcup:

Function	Action
Power On/Off	Press and hold the Power button ( ) for 3 seconds.
Play/Pause	Press the Play/Pause button (▶‖) once.
Volume Up	Press the '+' button once.
Volume Down	Press the '-' button once.
Next Track	Press and hold the '+' button.
Previous Track	Press and hold the '-' button.
Answer/End Call	Press the Play/Pause button (▶‖) once during an incoming call or active call.
Reject Call	Press and hold the Play/Pause button (▶‖) for 2 seconds during an incoming call.
Redial Last Number	Double-press the Play/Pause button (▶‖).

6. MAINTENANCE

Proper care will extend the life of your Coby headphones:

- **Cleaning:** Use a soft, dry cloth to wipe the surfaces of the headphones. For earcups, gently wipe with a slightly damp cloth and allow to air dry completely. Do not use harsh chemicals or abrasive materials.
- **Storage:** When not in use, fold the headphones and store them in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To maintain battery health, avoid fully discharging the battery frequently. Recharge the headphones regularly, even if not used for extended periods.
- **Water Resistance:** These headphones are water repellent. Avoid submerging them in water or exposing them to heavy rain.

7. TROUBLESHOOTING

If you encounter issues with your headphones, please refer to the following common solutions:

- **Headphones will not power on:**
  Ensure the headphones are fully charged. Connect them to a power source using the Micro USB cable and allow them to charge for at least 30 minutes before attempting to power on again.

- **Cannot pair with Bluetooth device:**
  Make sure the headphones are in pairing mode (LED flashing blue and red). Ensure Bluetooth is enabled on your device and it is within 33 feet (10 meters) of the headphones. Try turning Bluetooth off and on again on your device, or restarting both the headphones and your device.

- **No sound from headphones:**
  Check the volume level on both the headphones and your connected device. Ensure the headphones are properly paired via Bluetooth or the AUX cable is securely connected. Test with a different audio source or device.

- **Poor sound quality or intermittent connection:**
  Move closer to your Bluetooth device to reduce interference. Avoid obstacles between the headphones and your device. Ensure the headphones are fully charged. If using wired mode, check the AUX cable for damage and ensure it's fully inserted.

- **Microphone not working:**
  Ensure the headphones are properly connected to your device. Check your device's audio input settings to confirm the headphones' microphone is selected. Test the microphone with a different application or device.
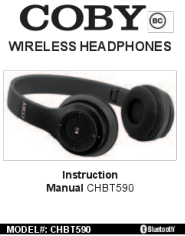

8. SPECIFICATIONS
