JLab HBASTUDIOPRORBLK4

JLab Studio Pro Wireless Over-Ear Headphones User Manual

Model: HBASTUDIOPRORBLK4

INTRODUCTION

This manual provides comprehensive instructions for the safe and effective use of your JLab Studio Pro Wireless Over-Ear Headphones. Please read this manual thoroughly before using the product and retain it for future reference. These headphones offer wireless audio connectivity via Bluetooth 5, designed for extended listening periods with comfort and control.

SETUP

1. What's in the Box

- JLab Studio Pro Wireless Over-Ear Headphones
- USB Charging Cable
- User Manual (this document)

Image: The JLab Studio Pro Wireless Over-Ear Headphones shown alongside a blue USB charging cable, indicating included accessories.

2. Charging the Headphones

1. Locate the USB charging port on the headphones.
2. Connect the provided USB charging cable to the headphones.
3. Plug the other end of the USB cable into a USB power source (e.g., computer USB port, wall adapter).
4. The LED indicator on the headphones will illuminate during charging and change status when fully charged. A full charge provides approximately 50+ hours of playtime.

3. Powering On/Off

- **Power On:** Press and hold the Power button (often integrated with the Play/Pause button) for approximately 3 seconds until the LED indicator lights up and an audible prompt is heard.
- **Power Off:** Press and hold the Power button for approximately 5 seconds until the LED indicator turns off and an audible prompt is heard.

4. Bluetooth Pairing

1. Ensure the headphones are powered off.
2. Press and hold the Power button for approximately 7-10 seconds. The LED indicator will flash blue and red, indicating pairing mode.
3. On your device (smartphone, tablet, computer), navigate to the Bluetooth settings.
4. Select "JLab Studio Pro Wireless" from the list of available devices.
5. Once connected, the LED indicator will turn solid blue, and an audible confirmation will be heard.

OPERATING INSTRUCTIONS

1. Basic Controls

TOTAL CONTROL

Play, pause, change tracks, and adjust volume with built-in buttons for easy on-the-go use. Answer and hang up phone calls with the built-in microphone, or activate your voice assistant.

- **Play/Pause:** Press the center button once.
- **Volume Up:** Press the '+' button.
- **Volume Down:** Press the '-' button.
- **Next Track:** Press and hold the '+' button for 2 seconds.
- **Previous Track:** Press and hold the '-' button for 2 seconds.
- **Answer/End Call:** Press the center button once during an incoming call or active call.
- **Reject Call:** Press and hold the center button for 2 seconds during an incoming call.
- **Activate Voice Assistant:** Double-press the center button.

2. Custom EQ3 Sound Modes

The headphones feature three equalizer (EQ) settings to customize your audio experience without needing an app.

CUSTOM EQ³ SOUND

Tune your audio between our
three custom EQ Sound Modes:

SIGNATURE

BALANCED

BASS BOOST

Image: The JLab Studio Pro headphones earcup, illustrating the three custom EQ3 sound modes: Signature, Balanced, and Bass Boost.

- **Switching Modes:** Triple-press the center button to cycle through the modes.
- **JLab Signature:** Provides amplified vocals and bass.
- **Balanced:** Offers even sound distribution for all genres.
- **Bass Boost:** Enhances bass and sub-bass frequencies.

3. Wearing the Headphones

The JLab Studio Pro headphones are designed for comfort during extended use.

CLOUD FOAM™ COMFORT

Form-Fit™ Earcups are ergonomically shaped to the natural outline of the ear. The 1" Cloud Foam cushions and adjustable hinges further customize your comfort for any travel, workout or commute.

Image: The JLab Studio Pro headphones resting on a textured surface, emphasizing the Cloud Foam earcups and their ergonomic design for comfort.

- **Adjustable Headband:** Extend or retract the headband to fit your head comfortably.
- **Form-Fit Earcups:** The earcups are ergonomically shaped to fit around the natural outline of your ears.
- **Cloud Foam Cushions:** The 1-inch Cloud Foam cushions provide a soft, comfortable seal around your ears.

MAINTENANCE

1. Cleaning

- Use a soft, dry, lint-free cloth to wipe the surfaces of the headphones.
- Do not use harsh chemicals, cleaning solvents, or strong detergents.
- Avoid getting moisture into any openings.

2. Storage

- Store the headphones in a cool, dry place away from extreme temperatures.
- When not in use, fold the headphones to their compact size to prevent damage.

3. Battery Care

- Charge the headphones regularly, even if not used frequently, to maintain battery health.
- Avoid fully discharging the battery often.
- Do not expose the battery to excessive heat or direct sunlight.

TROUBLESHOOTING

- **No Power:** Ensure the headphones are fully charged. Connect them to a power source using the USB cable.
- **Cannot Pair with Device:**
 - a. Ensure Bluetooth is enabled on your device.
 - b. Make sure the headphones are in pairing mode (flashing blue/red LED).
 - c. Turn off and on both the headphones and your device.
 - d. If previously paired, try forgetting the device in your Bluetooth settings and re-pairing.
- **No Sound or Low Volume:**
 - a. Increase the volume on both the headphones and your connected device.
 - b. Ensure the headphones are properly connected via Bluetooth.
 - c. Check if the audio source is playing.
- **Poor Audio Quality:**
 - a. Move closer to your connected device to reduce interference.
 - b. Ensure there are no physical obstructions between the headphones and the device.
 - c. Try switching EQ3 sound modes.
