VS

Ultrasonic Jewelry Cleaner

- 👍 Speed and convenience
- 👍 360° All-round cleaning
- 👍 Gentle yet effective cleaning
- 👍 Superior cleaning performance
- 👍 Hygiene and safety

Manual Scrubbing

- ☹️ Time-consuming
- ☹️ Misses hidden spots
- ☹️ Can cause wear and tear on delicate items
- ☹️ Less effective on stubborn stains and debris
- ☹️ May expose users to contaminants

3. PACKAGE CONTENTS

The KUNPHY Sonic Jewelry Cleaner package includes the following items:

- KUNPHY Ultrasonic Cleaner Unit
- Power Adapter
- Tweezers
- Microfiber Cleaning Cloths (2)
- User Manual

4. SETUP

1. Place the KUNPHY Sonic Jewelry Cleaner on a stable, flat surface.
2. Open the lid of the cleaner.
3. Fill the stainless steel tank with clean water. You may add a small amount of mild cleaning solution or soap if desired. Ensure the water level is between the MIN and MAX marks.

4. Plug the power adapter into a standard electrical outlet.
5. Connect the power adapter to the power socket located at the back of the ultrasonic cleaner.

5. OPERATING INSTRUCTIONS

1. After setup, place the items you wish to clean into the water-filled tank. For delicate items or to prevent tangling, use the provided tweezers or a small basket (if included) to submerge them.
2. Close the lid securely.
3. Press the ON/OFF button. The blue indicator light will illuminate, and the cleaning cycle will begin. The standard cleaning cycle is typically 3 minutes.
4. Once the cycle is complete, the device will automatically shut off.
5. Open the lid and carefully remove the cleaned items using the provided tweezers.
6. Rinse the items under clean water and dry them with a soft, lint-free cloth.

6. SUGGESTED APPLICATIONS

The KUNPHY Sonic Jewelry Cleaner is suitable for cleaning a wide range of items:

- **Jewelry:** Necklaces, rings, earrings, bracelets, watches.
- **Glasses:** Eyeglasses, sunglasses.
- **Office Equipment:** Pen heads, printer heads.
- **Metal Articles:** Metal tableware, coins, badges, valves, etc.
- **Personal Care:** Dentures, toothbrushes, combs, shaver heads.

What Cannot Be Cleaned!

To prevent damage, do NOT clean the following items:

- Wooden Articles
- Jewelry containing loose stones or soft/porous stones such as pearls, emeralds, amber, and opal.
- Glasses/sunglasses with pre-existing scratches or cracks in the coating.
- Electronic Products.

7. MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your KUNPHY Sonic Jewelry Cleaner:

1. Do not clean the ultrasonic cleaner with harsh cleaning products or sharp objects.

2. Please clean the tank with a piece of soft cloth and wipe dry after each use or cleaning.
3. To prevent the formation of limescale, do not leave any water in the tank after use or cleaning.
4. Keep the product in a cool, dry place, well out of reach of children.

8. SPECIFICATIONS

Specification	Detail
Manufacturer	KUNPHY
Model Number	Mor-UC-BCM-187-C
Item Weight	550 g
Product Dimensions	17.78 x 7.62 x 7.62 cm
Colour	White
Material	Stainless Steel
Item Package Quantity	1
Batteries Included?	No
Batteries Required?	No
Country of Origin	China
Date First Available	Jan. 4 2021
