Audizio 102.222

Audizio Venice Internet Radio User Manual

Model: 102.222

INTRODUCTION

Thank you for purchasing the Audizio Venice Internet Radio. This manual provides detailed instructions for setting up, operating, and maintaining your device. Please read it thoroughly before use to ensure optimal performance and longevity.

The Audizio Venice Internet Radio, shown with its remote control, features a classic wooden finish and a clear display for easy navigation.

Setup Guide

Unpacking and Initial Inspection

Carefully remove all components from the packaging. Ensure the following items are present:

- Audizio Venice Internet Radio
- USB Cable
- Remote Control
- User Manual (this document)

Inspect the radio for any signs of damage. If any components are missing or damaged, contact customer support immediately.

Powering On

1. Connect the provided USB cable to the radio's USB port.
2. Plug the other end of the USB cable into a compatible USB power adapter (not included) or a powered USB port.
3. Press the power button on the front panel or the remote control to turn on the radio.

The Audizio Venice Internet Radio is designed to complement various home environments, such as a kitchen counter.

Network Connection (Wi-Fi)

To access internet radio stations, the device requires a Wi-Fi connection.

1. On the radio's display, navigate to the **Settings** menu.
2. Select **Network**, then **Wi-Fi Setup**.
3. The radio will scan for available Wi-Fi networks. Select your network from the list.
4. Enter your Wi-Fi password using the dial/select knob and navigation buttons.
5. Confirm the password to connect. A confirmation message will appear upon successful connection.

The radio can be controlled via a smartphone app, enhancing user convenience.

Operating Instructions

Internet Radio

Once connected to Wi-Fi, you can browse thousands of internet radio stations worldwide.

1. From the main menu, select **Internet Radio**.
2. You can browse by location, genre, or search for specific stations.
3. Use the dial/select knob to navigate and select your desired station.

The portable design allows the Audizio Venice Internet Radio to be enjoyed outdoors, such as on a patio table.

Bluetooth Mode

Connect your smartphone or other Bluetooth-enabled device to stream audio wirelessly.

1. Select **Bluetooth** from the main menu.
2. The radio will enter pairing mode.
3. On your device, enable Bluetooth and select "Audizio Venice" from the list of available devices.
4. Once paired, you can play audio from your device through the radio.

The Audizio Venice Internet Radio can be integrated into an existing audio setup, such as next to a larger speaker.

Alarm Clock Function

The Audizio Venice features a built-in alarm clock.

1. Navigate to **Alarm** in the Settings menu.
2. Set the alarm time, source (buzzer, internet radio, or FM radio), and volume.
3. Enable the alarm.

The compact size of the Audizio Venice Internet Radio makes it suitable for a bedside table, functioning as an alarm clock.

Remote Control

The included remote control provides convenient access to all functions.

The remote control allows for convenient operation of the radio from a distance.

Refer to the remote control diagram in the quick start guide for button functions.

Maintenance

Cleaning

To clean the radio, use a soft, dry cloth. Do not use abrasive cleaners, waxes, or solvents as they may damage the finish. Ensure the device is powered off and unplugged before cleaning.

Storage

When not in use for extended periods, store the radio in a cool, dry place away from direct sunlight and extreme temperatures.

Troubleshooting

Problem	Possible Cause	Solution
No power	Power cable not connected; Power adapter faulty.	Check USB cable connection; Try a different USB power adapter.
Cannot connect to Wi-Fi	Incorrect password; Router too far; Network issue.	Verify password; Move radio closer to router; Restart router.
No sound	Volume too low; Mute enabled; Incorrect source selected.	Increase volume; Disable mute; Select correct input source.
Bluetooth pairing failed	Device not in pairing mode; Device too far; Interference.	Ensure radio is in Bluetooth pairing mode; Move devices closer; Restart both devices.

Specifications

Brand: Audizio

Model: 102.222
