COLAMY STARSPACE Ergonomic Gaming Chair

COLAMY STARSPACE Ergonomic Gaming Chair User Manual

Model: STARSPACE Ergonomic Gaming Chair

1. INTRODUCTION

Thank you for choosing the COLAMY STARSPACE Ergonomic Gaming Chair. This manual provides essential information for the safe assembly, operation, and maintenance of your new chair. Please read these instructions carefully before assembly and retain them for future reference.

2. SAFETY INFORMATION

- Ensure all components are present and undamaged before assembly. Do not use if any parts are missing or broken.
- Assemble the chair on a soft, clean surface to prevent scratches.
- Follow the assembly instructions precisely. Incorrect assembly can lead to instability or injury.
- Do not stand on the chair. Use it only for seating.
- Do not exceed the maximum weight capacity of 280 lbs (approximately 127 kg).
- Keep children and pets away from the assembly area. Small parts can be a choking hazard.
- Regularly check all bolts and screws to ensure they are tight. Retighten as necessary.

3. PACKAGE CONTENTS

Verify that all the following components are included in your package:

- 1 × Racing chair (main components: backrest, seat base)
- 1 × Headrest cushion
- 1 × Lumbar cushion (with massage function)
- 1 × Installation instruction manual
- Arm Pads
- Casters (wheels)
- Gas Lift

- 5-star Metal Base
- Mounting hardware and tools

4. ASSEMBLY INSTRUCTIONS

Assembly typically takes less than 30 minutes. Follow the detailed steps provided in the included installation instruction manual. A general overview of the assembly process is as follows:

1. Attach the casters to the 5-star metal base.
2. Insert the gas lift into the center hole of the base.
3. Secure the mechanism plate to the underside of the seat base.
4. Attach the armrests to the seat base.
5. Connect the backrest to the seat base using the provided hardware.

6. Place the assembled seat and backrest onto the gas lift.
7. Attach the headrest pillow and lumbar cushion.

5. OPERATING INSTRUCTIONS

Your COLAMY STARSPACE Gaming Chair offers multiple adjustment features for personalized comfort.

5.1. Seat Height Adjustment

To adjust the seat height, pull the lever located under the right side of the seat upwards. While holding the lever, stand up to raise the seat or remain seated to lower it. Release the lever at the desired height to lock it in place.

5.2. Backrest Recline Adjustment

The backrest can be reclined between 90 and 170 degrees. Lift the angle adjusting lever (typically on the right side, below

the seat) upwards. Lean back to recline or lean forward to bring the backrest upright. Release the lever at your preferred angle to lock it.

5.3. Rocking Function

The entire chair can rock back and forth with a rocking angle of 10 degrees. This function can be enabled or disabled using the tension knob located under the seat. Turn the knob clockwise to increase tension (reduce rocking) or counter-clockwise to decrease tension (allow more rocking).

5.4. Armrest Adjustment

The armrests are soft lift-adjustable. Press the button on the side of the armrest and move it up or down to your desired height. Release the button to lock.

5.5. Retractable Footrest

To use the footrest, pull it out from under the seat. Extend it to your desired length. To retract, push it back under the seat until it is fully stored.

5.6. Lumbar Support and Headrest Cushions

The headrest pillow and lumbar cushion are removable and adjustable. Position them along the backrest to provide optimal support for your neck and lower back. The lumbar cushion also features a massage function, which can be activated as per its specific instructions (if applicable, typically via a USB connection).

6. MAINTENANCE

Proper maintenance ensures the longevity and appearance of your chair.

- **Cleaning:** Wipe clean with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the leather material.
- **Inspection:** Periodically check all screws, bolts, and moving parts for tightness. Retighten any loose fasteners to maintain stability and safety.
- **Casters:** Keep casters free of hair and debris to ensure smooth rolling.
- **Leather Care:** For bonded leather, avoid prolonged exposure to direct sunlight or extreme temperatures, which can cause drying or cracking.

7. TROUBLESHOOTING

If you encounter any issues with your chair, refer to the following common troubleshooting tips:

- **Chair is wobbly:** Ensure all bolts and screws are securely tightened, especially those connecting the backrest to the seat and the mechanism to the seat.
- **Gas lift not adjusting:** Check if the height adjustment lever is fully engaged. Ensure no obstructions are preventing the gas lift from moving freely.
- **Casters not rolling smoothly:** Inspect casters for trapped debris (hair, lint, etc.) and clean them thoroughly.
- **Backrest not reclining:** Verify that the recline lever is functioning correctly and not obstructed. Ensure the tension knob for the rocking function is not overtightened, which might restrict movement.
- **Squeaking noises:** Apply a small amount of silicone lubricant to moving parts or joints if squeaking occurs. Avoid oil-based lubricants on plastic components.

8. SPECIFICATIONS

Feature	Specification
Brand	COLAMY
Manufacturer	STARSPACE
Model Name	STARSPACE Ergonomic Gaming Chair
Color	Black
Material	Bonded Leather, Foam (Fill Material)
Back Style	Wing Back
