Decdeal MTB Sport Bike Half Finger Cycling Gloves Instruction Manual

Model: B08LPHKLRC

1. INTRODUCTION

Thank you for choosing Decdeal MTB Sport Bike Half Finger Cycling Gloves. These gloves are designed for comfort and performance during various activities such as cycling, weightlifting, and general fitness. They feature anti-skid properties, breathability, and shock absorption to enhance your experience and protect your hands.

This manual provides essential information on how to properly use and maintain your gloves to ensure their longevity and optimal performance.

2. SETUP AND SIZING

To ensure a comfortable and effective fit, it is crucial to select the correct glove size. Please refer to the sizing chart below and measure your palm width accurately.

Image: Decdeal Cycling Gloves Size Reference Chart. This chart provides palm width measurements in centimeters and inches for sizes Medium (M), Large (L), and Extra Large (XL) to help users select the appropriate glove size.

How to Measure:

1. Place your hand flat with fingers slightly spread.
2. Measure the width of your palm just below the knuckles, excluding the thumb.
3. Compare your measurement to the chart to find your corresponding glove size.

Once you have determined your size, simply slide your hands into the gloves. The elastic closure type ensures a snug fit. Adjust the strong adhesive fastener tape around the wrist for added stabilization and comfort.

3. OPERATING INSTRUCTIONS

These half-finger gloves are designed for versatile use across various sports and activities:

- **Cycling:** The silicone palm pad provides great shock absorption, reducing hand fatigue and discomfort during rides. The anti-skid design ensures a firm grip on handlebars.
- **Weightlifting & Fitness:** Protect your palms from calluses and provide enhanced grip during weightlifting, gym workouts, and other fitness activities.

- **Outdoor Activities:** Suitable for various outdoor sports where hand protection and grip are beneficial.

4. MAINTENANCE AND CARE

Proper care will extend the life and maintain the performance of your Decdeal gloves.

- **Cleaning:** Hand wash only. Use mild soap and cold water. Do not use bleach or harsh detergents.
- **Drying:** Air dry thoroughly. Do not tumble dry or expose to direct heat, as this can damage the material and elastic properties.
- **Storage:** Store in a cool, dry place away from direct sunlight when not in use.

5. TROUBLESHOOTING

If you encounter any issues with your gloves, consider the following:

- **Gloves feel too tight or loose:** Re-check your palm measurement against the sizing chart. Ensure the wrist strap is adjusted correctly.

- **Reduced grip:** Ensure gloves are clean and dry. Dirt or moisture can affect grip.
- **Discomfort during use:** Verify that the gloves are worn correctly and that the size is appropriate for your hands.
