Divoom Ditoo-Pro

Divoom Ditoo-Pro Bluetooth Speaker User Manual

Model: Ditoo-Pro

1. Introduction

Thank you for purchasing the Divoom Ditoo-Pro Bluetooth Speaker. This manual provides essential information for setting up, operating, and maintaining your device. Please read it thoroughly before use to ensure optimal performance and longevity of your speaker.

The Ditoo-Pro combines a retro aesthetic with modern functionality, featuring a pixel art display, powerful audio, and versatile connectivity options. It is designed to enhance your daily environment, whether for work, relaxation, or gaming.

2. Product Overview

2.1 Package Contents

- Divoom Ditoo-Pro Bluetooth Speaker
- USB Type-C Charging Cable
- Quick Start Guide

3. Setup

3.1 Powering On/Off

- To power on: Press and hold the power button located on the side/back of the device until the screen illuminates.
- To power off: Press and hold the power button until the screen turns off.

3.2 Charging the Device

Connect the provided USB Type-C cable to the charging port on the Ditoo-Pro and plug the other end into a compatible USB power adapter (not included). The device can be used while charging.

4.3 Additional Functions

The Ditoo-Pro offers several convenient functions accessible via the device controls or the dedicated app:

- **Clock Display:** View the current time on the pixel art screen.
- **Alarm:** Set alarms for waking up or reminders.
- **White Noise:** Access various white noise sounds for relaxation or focus.
- **Mini-Games:** Play simple pixel art games directly on the device.

Image: Divoom Ditoo-Pro speaker showcasing various pixel art functions like pixel art creation, messages, gallery, alarm, Bluetooth, coloring, tools, sound visualizer, and mini-games.

5. Maintenance

- **Cleaning:** Use a soft, dry cloth to clean the exterior of the speaker. Avoid using abrasive cleaners or solvents.
- **Storage:** Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Charge the device regularly, even if not in use for extended periods.
- **Water Resistance:** This product is not waterproof. Avoid exposure to water or high humidity.

6. Troubleshooting

6.1 Common Issues and Solutions

Issue	Possible Cause	Solution
Device does not power on	Low battery; Power button not pressed correctly	Charge the device; Press and hold the power button for a few seconds
No sound output	Volume too low; Incorrect input source; Bluetooth not connected	Increase volume; Select correct input (Bluetooth/PC/TF card); Re-pair Bluetooth device
Bluetooth connection unstable	Device too far from speaker; Interference	Move device closer to speaker; Avoid obstacles; Turn off other Bluetooth devices
Pixel art display not working	App not connected; Software glitch	Ensure Divoom app is connected; Restart the speaker and app

If you encounter issues not listed here or if the problem persists, please contact customer support.

7. Specifications
