2. SAFETY INFORMATION

Your child's safety is paramount. Always follow these guidelines:

- Always use the 5-point safety harness for both the stroller seats and car seats.
- Ensure all locking mechanisms are engaged before placing children in the stroller or car seats.
- Never leave children unattended in the stroller or car seats.
- Do not overload the storage basket or hang bags on the handle, as this can cause instability.
- The car seats feature EPS energy-absorbing foam for enhanced side impact protection.
- This product meets ASTM and JPMA safety standards.

3. WHAT'S INCLUDED

Your Baby Trend Sit N' Stand Double Stroller & Ally 35 Infant Car Seat Combo includes:

- 1 x Sit N' Stand Double Stroller Frame
- 2 x Ally 35 Infant Car Seats
- 2 x Car Seat Bases

4. PRODUCT FEATURES

Stroller Features:

- **Versatile Seating:** Front and rear seats can accept up to two infant car seats. The rear seat can be removed to allow an older child to stand on the platform.
- **One-Hand Fold:** Convenient mechanism for quick and easy folding.
- **Adjustable Canopies:** Two independent ratcheting canopies provide sun protection for both children.
- **Multiple Reclining Positions:** Seats offer various recline options for comfort.
- **Child Trays:** Swing-away child trays with cup holders for easy access.
- **Parent Console:** Covered parent tray with two built-in cup holders and storage for personal items.
- **Large Storage Basket:** Spacious basket with wide rear access for essentials.
- **Foot-Activated Rear Brake:** Secure braking system for stability.

Infant Car Seat Features (Ally 35):

- **Safety Harness:** 5-point safety harness with one-hand adjustment and push-button release.
- **EPS Foam:** Energy-absorbing foam for optimal side impact protection.
- **Adjustable Base:** 4-position push-button height adjustable base with dual bubble level indicators for secure installation.
- **Comfort:** Deluxe seat pad and reversible infant insert designed to cradle a child.
- **Canopy:** Adjustable canopy for sun protection.
- **Cozy Cover:** Includes a cold weather boot cover for added warmth.

5. SETUP & ASSEMBLY

Follow these steps to assemble your stroller and prepare the car seats for use:

1. **Unfold the Stroller:** Release the frame latch and lift the handle until the stroller locks into the open position. Ensure all parts are securely locked.
2. **Attach Wheels:** Securely attach all four wheels to the stroller frame.
3. **Install Canopies and Trays:** Attach the canopies to both seats and the child trays to the front seat.
4. **Car Seat Base Installation:** Install the car seat base in your vehicle according to the car seat manual, ensuring it is level and secure using either the LATCH system or vehicle seat belt.
5. **Car Seat Preparation:** Adjust the 5-point harness and head support on the Ally 35 Infant Car Seats to fit your child. The infant insert is reversible for comfort.

6. OPERATING INSTRUCTIONS

Stroller Configurations:

The Sit N' Stand Double Stroller offers multiple configurations to adapt to your children's ages and needs:

- **Double Mode:** Both front and rear seats are used for two children.
- **Travel System:** Infant car seats can be installed in either the front or rear position.
- **Sit and Sit:** Both children are seated in the stroller seats.
- **Sit and Stand:** An older child can stand on the rear platform while a younger child sits in the front seat.

MULTIPLE *riding* SET-UP

Image: Examples of multiple riding setups for the double stroller.

Attaching/Detaching Car Seats:

To attach an Ally 35 Infant Car Seat, align the car seat with the stroller's seat receivers and push down firmly until it clicks into place. Ensure it is securely fastened. To detach, locate the release handle on the back of the car seat and lift while pulling the car seat upwards.

Folding the Stroller:

To fold the stroller, ensure both canopies are retracted and the seats are in an upright position. Locate the one-hand fold mechanism (usually a lever or button on the handle) and activate it while pushing the stroller forward and down. The stroller will collapse into a compact size.

Image: The Baby Trend Sit N' Stand Double Stroller shown in its compact folded state.

Using the Brakes:

The stroller is equipped with a foot-activated rear brake. To engage, press down on the brake pedal located near the rear wheels until it locks. To release, lift the pedal upwards.

7. MAINTENANCE

Regular maintenance ensures the longevity and safety of your stroller and car seats:

- **Cleaning Fabric:** Wipe fabric parts with a damp cloth and mild soap. The car seat's deluxe seat pad and infant insert are removable for cleaning. Refer to the care tag for specific washing instructions.
- **Cleaning Frame:** Wipe the stroller frame with a soft, damp cloth. Do not use abrasive cleaners.
- **Wheel Maintenance:** Periodically check wheels for wear and tear. Clean any debris from the wheel axles.

- **Storage:** Store the stroller and car seats in a dry, cool place away from direct sunlight when not in use.

8. TROUBLESHOOTING

If you encounter any issues, please refer to the following common solutions:

- **Stroller not folding/unfolding smoothly:** Ensure all seats are upright, canopies are retracted, and the frame latch is fully disengaged/engaged. Check for any obstructions.
- **Car seat not clicking into place:** Verify that the car seat is correctly aligned with the stroller receivers or car base. Apply firm, even pressure until a click is heard.
- **Wheels not turning freely:** Check for debris (e.g., hair, dirt) wrapped around the axles. Clean as necessary.
- **Harness difficult to adjust:** Ensure the harness straps are not twisted. Refer to the car seat manual for detailed adjustment instructions.

For persistent issues, please contact Baby Trend customer support.

9. SPECIFICATIONS
