Sorfe)y 4-Step Aluminum Folding Ladder User Manual

Model: B08LQT9535

1. INTRODUCTION

This user manual provides essential information for the safe and effective use of your Sorfe)y 4-Step Aluminum Folding Ladder. Designed for versatility and ease of use, this ladder is suitable for various tasks around the home, office, kitchen, and for photography use. Please read this manual thoroughly before initial use and retain it for future reference.

2. SAFETY INFORMATION

Your safety is paramount. Always adhere to the following safety guidelines:

- Ensure the ladder is fully opened and the secure locking spreaders are engaged before use.
- Place the ladder on a firm, level, and non-slippery surface.
- Do not exceed the maximum load capacity of 250 lbs (113 kg).
- Maintain three points of contact (two hands and one foot, or two feet and one hand) when ascending or descending.
- Do not stand on the top step unless it is designed as a standing platform and you can maintain balance. The oversized top platform on this model is designed for comfortable standing.
- Avoid reaching too far to the side; reposition the ladder instead.
- Keep children and pets away from the ladder during use.
- Inspect the ladder for any damage or loose parts before each use. Do not use if damaged.
- Do not use the ladder on slippery surfaces or during strong winds.

3. PRODUCT OVERVIEW AND FEATURES

The Sorfe)y 4-Step Aluminum Folding Ladder is crafted from high-quality brushed aluminum, offering both strength and a modern aesthetic. Key features include:

- **Ultra Slim Profile:** Folds to barely 2 inches thick for easy storage.
- **Anti-Slip Ribbed Steps:** Designed to prevent slipping and enhance safety.
- **Oversized Top Platform:** Provides a stable and comfortable standing surface.

- **Non-Marring Rubberized Feet:** Protects floors from scratches and ensures stability.
- **Secure Locking Spreaders:** Locks the ladder in position to prevent accidental closure.
- **Lightweight Aluminum Construction:** Easy to transport and maneuver.

4. SETUP

Setting up your Sorfey folding ladder is quick and easy:

1. Remove the ladder from its packaging.
2. Place the ladder on a flat, stable surface.
3. Grasp the top rail and gently pull the front and back sections apart until the secure locking spreaders fully engage. You should hear a click or feel the mechanism lock into place.
4. Ensure all four feet are firmly on the ground and the ladder is stable before stepping on it.

5. OPERATING INSTRUCTIONS

To use your Sorfey ladder safely:

1. Confirm the ladder is properly set up as described in the "Setup" section.
2. Face the ladder when climbing up or down.
3. Use the handrail for support while ascending or descending.
4. Do not carry heavy objects that could cause you to lose balance.
5. When working, keep your body centered between the side rails.

6. MAINTENANCE

Proper maintenance ensures the longevity and safety of your ladder:

- **Cleaning:** Wipe down the ladder with a damp cloth and mild detergent. Avoid abrasive cleaners.
- **Inspection:** Regularly check for loose screws, damaged steps, or worn rubber feet. Tighten any loose fasteners.
- **Storage:** Fold the ladder to its compact size and store it in a dry, cool place away from direct sunlight and moisture. Its slim profile allows for storage in narrow spaces.

COMPACT 2" SLIM PROFILE

Slim foldable design folds to just 2" thick for easy storage and portability.

7. TROUBLESHOOTING

If you encounter any issues with your SorfeY ladder, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Ladder feels unstable.	Not fully opened; uneven surface; damaged feet.	Ensure locking spreaders are engaged. Move to a level surface. Inspect and replace damaged rubber feet if necessary.
Difficulty folding/unfolding.	Mechanism obstructed; dirt/debris in joints.	Check for obstructions. Clean joints and apply a small amount of silicone lubricant if needed.

Problem	Possible Cause	Solution
Steps feel slippery.	Steps are wet or dirty.	Clean steps thoroughly. Ensure steps are dry before use.

8. SPECIFICATIONS

Attribute	Detail
Model	B08LQT9535
