4. SETUP AND ASSEMBLY

The modular design allows for flexible assembly. Follow these general steps for construction:

1. **Plan Your Layout:** Decide on the desired configuration of your wardrobe before starting assembly.
2. **Connect Panels:** Insert the edges of the plastic panels into the slots of the ABS plastic connectors. Ensure the panels are fully seated.
3. **Secure Connections:** Use the provided rubber mallet to gently tap the connectors, ensuring all panels are firmly in place and connections are secure. A strong clicking sound indicates a proper connection.
4. **Install Hanging Rails:** For cubes designated for hanging clothes, insert the hanging rails into the appropriate slots in the connectors.
5. **Attach Doors:** Secure the doors to the front of the cubes using the designated connectors.
6. **Anti-Tip Kit Installation:** For safety, always attach the anti-tip protection kit to the top of the wardrobe and secure it to a wall stud.

5. OPERATING INSTRUCTIONS

Once assembled, your SONGMICS DIY Kids Wardrobe is ready for use.

- **Opening/Closing Doors:** Gently pull or push the doors to open and close the cubes.
- **Using Hanging Rails:** Utilize the installed hanging rails for clothes that require hanging, such as shirts, dresses, or jackets.
- **Cube Storage:** The individual cubes are ideal for folded clothes, toys, books, or other personal items.
- **Weight Distribution:** Distribute weight evenly across the cubes. Avoid placing excessively heavy items in a single cube.

6. MAINTENANCE

To ensure the longevity and appearance of your wardrobe, follow these maintenance guidelines:

- **Cleaning:** The plastic panels are waterproof and easy to clean. Wipe surfaces with a damp cloth and mild detergent. Avoid abrasive cleaners.
- **Regular Checks:** Periodically inspect all connections to ensure they remain tight and secure.

Re-tap with the mallet if any connections feel loose.

- **Avoid Overloading:** Do not exceed the maximum weight capacity per cube or for the entire unit.

7. TROUBLESHOOTING

If you encounter any issues with your wardrobe, refer to the following common solutions:

- **Instability:** If the wardrobe feels unstable, ensure all plastic panels are fully inserted into the connectors and that the metal frames are completely seated. Use the rubber mallet to secure all connections. Verify the anti-tip kit is correctly installed and anchored to the wall.
- **Doors Not Closing Properly:** Check if the panels forming the cube are correctly aligned and fully connected. Misaligned panels can prevent doors from closing smoothly.
- **Missing Parts:** If any parts are missing upon unboxing, please contact SONGMICS customer support immediately.
