Oakley OO9463A

Oakley Sutro Lite OO9463A Sunglasses User Manual

Model: OO9463A | Brand: Oakley

1. Introduction

Welcome to the user manual for your new Oakley Sutro Lite OO9463A Sunglasses. This guide provides essential information on how to properly use, care for, and maintain your sunglasses to ensure their longevity and optimal performance. Please read this manual thoroughly before first use.

2. Product Overview

The Oakley Sutro Lite OO9463A sunglasses are designed for performance and style, featuring a half-rimless design for an extended field of view and Prizm™ lens technology for enhanced color and contrast. This model is specifically designed with an Asia Fitting for improved comfort.

Figure 2.1: Front View. This image displays the front of the Oakley Sutro Lite sunglasses, highlighting the wide, single Prizm Black lens and the minimalist black frame design.

Figure 2.2: Side View. This image shows the side profile of the sunglasses, illustrating the curvature of the lens and the design of the temple arm, which features the 'SUTRO' branding.

Figure 2.3: Top View. This image provides a view from the top of the sunglasses, detailing the upper frame structure and how it integrates with the lens.

3. Setup and First Use

1. **Unboxing:** Carefully remove the sunglasses from their packaging. Inspect them for any signs of damage.
2. **Initial Inspection:** Check that the lenses are clean and free from smudges or debris. Ensure the frame is intact and the hinges operate smoothly.
3. **Fit Adjustment:** Gently place the sunglasses on your face. The Asia Fitting is designed to provide a comfortable and secure fit. If needed, minor adjustments to the nose pads (if applicable) or temple arms can be made by a qualified optician. Avoid bending the frame excessively yourself.

4. Operating Instructions

- **Wearing:** Hold the sunglasses by the frame, not the lenses, and place them on your face. Ensure they sit comfortably on your nose bridge and the temple arms rest securely over your ears.
- **Removal:** To remove, grasp both temple arms and lift the sunglasses off your face. Avoid pulling them off by one arm, as this can stress the frame and hinges.

- **Handling:** Always handle your sunglasses with care. Avoid placing them face down on hard surfaces to prevent scratching the lenses.

5. Maintenance and Care

- **Cleaning Lenses:** Use only Oakley lens cleaning solution and a microbag or a soft, lint-free cloth to clean the lenses. Do not use paper towels, clothing, or abrasive cleaners, as these can scratch the Prizm coating.
- **Cleaning Frame:** Wipe the frame with a soft, damp cloth to remove dirt and oils. Avoid harsh chemicals.
- **Storage:** When not in use, store your sunglasses in their protective case or microbag to prevent scratches and damage. Avoid leaving them in direct sunlight or extreme heat (e.g., on a car dashboard), as this can warp the frame and damage the lenses.
- **Avoid Chemicals:** Do not expose your sunglasses to perfumes, hairsprays, solvents, or other chemicals, as these can damage the frame and lens coatings.

6. Troubleshooting

- **Smudged Lenses:** If lenses appear smudged after cleaning, ensure you are using a clean microbag or cloth and proper lens cleaning solution. Avoid touching the lenses with your fingers.
- **Loose Fit:** If the sunglasses feel loose, visit an authorized Oakley dealer or optician for professional adjustment. Do not attempt to bend the frame yourself, as this may void the warranty.
- **Scratched Lenses:** Minor scratches may not be repairable. For significant scratches affecting vision, lens replacement may be necessary. Contact Oakley customer service or an authorized dealer.

7. Specifications

Model Number	OO9463A
Brand	Oakley
Lens Technology	Prizm™
Lens Color	Prizm Black
Frame Color	Black
Frame Material	Plastic
Fit Type	Asia Fitting
Style	Half-rimless shield
