## OttLite CSD9000W

# OttLite Clarify LED Desk Lamp User Manual

MODEL: CSD9000W

Brand: OttLite

## Product Overview

The OttLite Clarify LED Desk Lamp is designed to provide optimal lighting for various tasks such as work, study, reading, and crafting. Featuring OttLite's exclusive ClearSun LED technology, this lamp aims to reduce eyestrain by up to 51% by mimicking natural daylight. It includes touch-activated controls for four brightness settings and a flexible neck for adjustable illumination.

## Important Safety Instructions

---

Please read all instructions carefully before using the lamp to ensure safe operation and prevent damage.

- Do not use with a dimmer switch.
- Do not modify the lamp in any way.
- Ensure the lamp is placed on a stable, flat surface.
- Keep away from water or damp environments.
- Unplug the lamp before cleaning.
- The LED light source is not replaceable. Do not attempt to replace it.
- This lamp is for indoor use only.

## Setup

1. **Unpack the Lamp:** Carefully remove all components from the packaging. Ensure all parts are present: the lamp unit and power cable.
2. **Position the Lamp:** Place the lamp base on a stable, flat surface where you intend to use it.
3. **Connect Power:** Insert the power cable into the power input port located on the back of the lamp base. Plug the other end of the power cable into a standard electrical outlet.

## Operating Instructions

The OttLite Clarify LED Desk Lamp features intuitive touch-activated controls for ease of use.

- **Power On/Off:** Gently touch the power icon on the lamp base to turn the lamp on or off.
- **Adjust Brightness:** Continue to touch the power icon to cycle through the four available brightness settings. The lamp will adjust from the lowest to the highest setting, then back to off.

- **Flexible Neck Adjustment:** The lamp features a flexible neck that allows you to position the light precisely where it is needed. Gently bend the neck to direct the light beam.

## Maintenance

Proper care will ensure the longevity and optimal performance of your OttLite lamp.

- **Cleaning:** Before cleaning, always unplug the lamp from the power outlet. Use a soft, dry cloth to wipe down the lamp. Do not use abrasive cleaners, waxes, or solvents as they may damage the finish.
- **LED Lifespan:** The integrated LED light source is designed for long-term use and is not replaceable.

## Troubleshooting

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Lamp does not turn on.	Not plugged in; power outlet not active; faulty power cable.	Ensure the power cable is securely plugged into both the lamp and a working electrical outlet. Test the outlet with another device.
Light flickers or is dim.	Unstable power supply; internal component issue.	Try plugging the lamp into a different outlet. If the issue persists, contact customer support.
Touch control is unresponsive.	Dust or debris on sensor; temporary electronic glitch.	Wipe the touch control area with a clean, dry cloth. Unplug the lamp for 30 seconds and then plug it back in to reset.

## Specifications

Feature	Detail
Model Number	CSD9000W
