## MAINTENANCE

To ensure the longevity and appearance of your Castle Grayskull Building Set, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to gently wipe dust from the assembled model and figures. For stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent discoloration or warping of plastic components. If disassembling for storage, keep all pieces organized in sealed bags or containers to prevent loss.
- **Handling:** Handle the assembled model with care, especially when moving it, to prevent pieces from detaching.
