

Hironpal B08M9FWVFD

Hironpal Gaming Desk User Manual

Model: B08M9FWVFD

INTRODUCTION

Thank you for choosing the Hironpal Gaming Desk. This manual provides essential information for the proper assembly, operation, and maintenance of your new gaming desk. Please read these instructions carefully before use and retain them for future reference.

PRODUCT OVERVIEW

The Hironpal Gaming Desk is designed to provide a spacious and stable platform for your gaming setup or workstation. It features a durable carbon fiber textured desktop, a robust Z-shaped steel frame, integrated LED lighting, and convenient accessories.

Key Features:

- **Spacious Desktop:** A 114 x 60 cm (44.9 x 23.6 inches) carbon fiber textured surface provides ample space for multiple monitors, keyboards, and other gaming peripherals.
- **Robust Construction:** Built with high-quality laminated MDF and a coated steel tube frame for stability, supporting up to 155 kg (341 lbs).
- **Ergonomic Z-Shape Design:** The Z-shaped legs offer ample legroom and stability.
- **Integrated LED Lights:** RGB LED lighting enhances the gaming atmosphere.
- **Convenient Accessories:** Includes a cup holder, headphone hook, and cable management grommets.

SETUP AND ASSEMBLY

The Hironpal Gaming Desk is designed for straightforward assembly. All necessary hardware and detailed, illustrated instructions are included in the package. It is recommended to assemble the desk in the room where it will be used.

1. Unpack all components and verify against the parts list provided in the assembly instructions.
2. Follow the step-by-step illustrated guide to attach the Z-shaped legs to the desktop.
3. Secure all screws and fasteners firmly, but do not overtighten until all parts are aligned.
4. Install the cup holder, headphone hook, and route cables through the management grommets as desired.
5. Connect the LED lighting system according to the instructions.

Note: Some users have reported issues with screw alignment or missing screws. If you encounter such problems, please contact customer support for assistance.

STABLE SUPPORT and THICK BOARD

Easy to assemble, more stable and durable

**Wire Hook

OPERATING INSTRUCTIONS

LED Lighting System:

The desk features integrated RGB LED lights to enhance your gaming or work environment. The LED lights are controlled via a wired remote.

- **Power:** Connect the USB cable from the LED controller to a 5V USB power source (e.g., computer USB port, USB wall adapter).
- **Mode/Demo:** Press the "MODE DEMO" button to cycle through various lighting patterns and effects.
- **Speed:** Use the "SPEED" buttons to adjust the speed of dynamic lighting effects.
- **Color:** Press the "COLOR" button to change static LED colors.

Note: If the LED colors do not change as expected, ensure the controller is properly connected and try cycling through

modes and colors again.

LIGHT MODE SWITCHING

Accessories:

- **Cup Holder:** Attach the cup holder to the designated slot on the side of the desk. It is designed to securely hold most standard beverage containers.
- **Headphone Hook:** Attach the headphone hook to the side of the desk to keep your headphones within easy reach and off the desktop.
- **Cable Management Grommets:** Utilize the two cable grommets on the desktop to route and organize your cables, maintaining a tidy workspace.

MAINTENANCE

Proper maintenance will ensure the longevity and appearance of your Hironpal Gaming Desk.

- **Cleaning:** Wipe the desktop and frame with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the carbon fiber laminate surface.
- **Inspection:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 155 kg (341 lbs) to prevent structural damage.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Desk is wobbly or unstable.	Loose screws or uneven floor.	Ensure all assembly screws are tightened. Adjust the leveling feet on the bottom of the desk legs to compensate for uneven surfaces.
LED lights are not working.	Power not connected, faulty connection, or controller issue.	Verify the USB power cable is securely connected to a 5V power source. Check all connections between the LED strips and the controller. If issues persist, contact customer support.
LED colors/modes do not change.	Controller malfunction or incorrect button press.	Ensure you are pressing the correct buttons ("COLOR" for static colors, "MODE DEMO" for patterns). If the controller is unresponsive, try disconnecting and reconnecting the USB power.
Missing or misaligned assembly parts.	Manufacturing defect or shipping error.	Refer to the parts list in your assembly manual. Contact Hironpal customer support immediately for replacement parts or guidance.

SPECIFICATIONS
