PHI VILLA B08M9M8LJH

PHI VILLA Outdoor Bar Stools (Set of 4) Instruction Manual

Model: B08M9M8LJH

Brand: PHI VILLA

1. Important Safety Information

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- **Maximum Weight Capacity:** Each bar stool is designed to support a maximum weight of 250 pounds (113 kg). Do not exceed this limit.
- **Proper Assembly:** Ensure all bolts and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- **Stable Placement:** Always place the bar stools on a flat, stable, and level surface to prevent tipping. Adjust foot pads if necessary to ensure stability.
- **Children Safety:** Keep children away from the assembly area. Do not allow children to climb or play on the bar stools.
- **Outdoor Use:** These bar stools are designed for outdoor use. While weather-resistant, extreme weather conditions may require additional protection or storage.
- **Swivel Mechanism:** Use the 360-degree swivel feature carefully. Avoid sudden or excessive force.

2. Package Contents

Verify that all components are present and undamaged before beginning assembly. If any parts are missing or damaged, please contact customer support.

- 4 x PHI VILLA Outdoor Bar Stools
- Assembly Hardware Kit (bolts, washers, nuts, wrench)
- Assembly Instructions Manual

3. Setup and Assembly

Assembly is required. Follow the included detailed assembly instructions step-by-step. While assembly is generally straightforward, patience is recommended.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a soft, clean surface to prevent scratches.
2. **Identify Parts:** Refer to the parts list in the separate assembly manual to identify each component.
3. **Assemble Base:** Attach the four legs to the circular footrest using the provided hardware. Do not fully tighten bolts yet.
4. **Attach Swivel Mechanism:** Secure the swivel plate to the top of the assembled base.
5. **Connect Seat and Backrest:** Attach the seat and backrest frame to the armrests, then connect this assembly to the swivel mechanism on the base.
6. **Final Tightening:** Once all parts are loosely assembled, place the stool on a level surface and gradually tighten all bolts evenly. Ensure the stool is stable.

4. Operating Instructions

The PHI VILLA Outdoor Bar Stools are designed for comfortable and versatile use.

- **360-Degree Swivel:** The integrated swivel mechanism allows for full 360-degree rotation. This feature provides flexibility for conversation and viewing in various directions.
- **Adjustable Foot Pads:** Each leg is equipped with an adjustable foot pad. Rotate these pads to compensate for uneven surfaces and ensure optimal stability.
- **Ergonomic Design:** The chairs feature an ergonomic backrest and smooth armrests for enhanced comfort during extended use.

5. Maintenance and Care

Regular maintenance will prolong the life and appearance of your PHI VILLA bar stools.

- **Cleaning:** Wipe clean with a damp cloth. For stubborn dirt, use a mild soap solution and rinse thoroughly with water. Avoid harsh chemicals or abrasive cleaners.
- **Textilene Fabric:** The high-density Textilene fabric is breathable, quick-drying, and anti-fading. It is also easy to clean.
- **Frame Protection:** The e-coating and powder-coating finish on the metal frame provides rust resistance and durability against outdoor elements.

- **Seasonal Storage:** While designed for outdoor use, storing the chairs in a dry, covered area during prolonged periods of harsh weather (e.g., heavy snow, extreme heat) can further extend their lifespan.

6. Troubleshooting

- **Difficulty during Assembly:** If you encounter difficulty aligning bolt holes, ensure all components are correctly oriented as per the assembly diagram. Loosely assemble all parts first, then gradually tighten. Do not force bolts.
- **Stool Wobbles:** Check that all bolts are securely tightened. Adjust the foot pads on each leg to ensure the stool sits evenly on the ground.
- **Swivel is Stiff:** Ensure the swivel mechanism is clean and free of debris. A small amount of silicone-based lubricant can be applied if needed, but avoid oil-based lubricants that can attract dirt.

7. Specifications

Image: Detailed product dimensions.

Feature	Detail
Brand	PHI VILLA
Model Number	B08M9M8LJH
Color	Brown
Product Dimensions (D x W x H)	26"D x 23.25"W x 51.75"H
Seat Height	30 Inches
Seat Depth	20 Inches
Chair Backrest Width	23.2 Inches

Feature	Detail
Size	4 Piece
Material	Textilene Fabric, Foam and Fiber Batting
Frame Finish Type	E-coating & Powder-coating
Special Features	360-degree swivel, with armrest, with back
Maximum Weight Recommendation	250 Pounds
Indoor/Outdoor Usage	Outdoor
